The Parties and Effective Date. This Agreement is effective (the "Effective Date") between the Client and FoxHire as of either: (1) the date you first accessed FoxHire's web-based software, (2) the date you signed this Agreement, or (3) the date FoxHire began providing Employer of Record ("EOR") services to you, whichever occurs first. For valuable consideration and in exchange of the mutual promises and covenants contained in this Agreement, the Parties agree as follows:

Introduction. FoxHire offers an EOR service to Recruiters, Contract Workers, and Corporate Clients. FoxHire becomes the W-2 employer of workers who prefer working on short-term contract assignments. To make contract placements easy to implement, FoxHire developed and owns online computer software and related documentation, copyrights and trademarks ("Intellectual Property").

1. Services. FoxHire will provide EOR services to Client as set forth in this Agreement and in the Placement Specifics Addendum ("PSA") and Scope of Services addendums attached hereto.

2. Acceptance. This Agreement is accepted upon execution by Client or use of FoxHire's Services. If, however, for any reason, Client fails to execute this Agreement and FoxHire furnishes any of the work or Services contemplated herein, then FoxHire may, at its sole discretion, elect to deem this Agreement accepted by Client.

3. Set Up. If Client chooses to use FoxHire's EOR services, Client may use FoxHire's secure software to view, approve, and authorize FoxHire to provide the Services as identified in this Agreement and the terms in the "Placement Specifics Addendum" (or "PSA"), which may be amended as mutually agreed.

4. Software Restrictions. You agree and covenant that you will not (i) copy, modify, tamper with, alter, create derivative works of, sublicense, sell, lease, loan, rent, distribute, convey, pledge as security or otherwise encumber, or act as a service bureau with respect to any software portals; (ii) reverse engineer, decompile, translate, adapt or disassemble software in an attempt to reconstruct or discover the source code or algorithms thereof, except and only to the extent expressly permitted by law; (iii) remove, delete or alter any trademarks or any copyright, trademark, patent or other Intellectual Property Rights notices from software; (iv) use software in violation of applicable laws, rules, regulations, codes or ordinances; or (v) cause or authorize any third party to do any of the foregoing.

5. Contractors. FoxHire will provide referrals of potential contractor workers ("Contractors") to the Client as described in the Scope of Services. FOXHIRE DISCLAIMS ALL EXPRESS AND IMPLIED WARRANTIES OF ANY KIND, AND SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND MAKES NO REPRESENTATION OR WARRANTY AS TO THE SKILLS, EXPERIENCE, ABILITY, BACKGROUND OR EDUCATION OF THE CONTRACTOR.

6. Client. The Client will, in its sole discretion, determine which Contractors it desires to interview and will select the Contractors based upon Client's assessment of its needs and the Contractor's requisite skills, experience, background and education necessary to perform the tasks the Client requires (the "Work Description"). The Client is solely responsible for the on-site supervisor for each Contractor and solely responsible for directing and supervising the Contractor's daily assignment responsibilities.

FoxHire will not communicate information or train a Contractor on Client's workplace policies and procedures; Client is solely responsible for all such matters. Client will promptly notify FoxHire of any concerns with Contractor's performance, and FoxHire will work with Client to resolve any such concerns or will, at Client's request, use commercially reasonable efforts to replace the Contractor at issue with a replacement Contractor in accordance with this Agreement. FoxHire does not guarantee replacement.

7. Billing. Client will timely review and approve the Contractor's weekly online timesheet of time logged working, training, traveling, and expenses (as specified in the PSA). Client's approval of same will confirm that the Contractor's time and services provided for that pay period were satisfactory and acceptable to Client.

FoxHire will invoice Client for Contractor's approved timesheet in accordance with the frequency, prices, and payment terms in the PSA. FoxHire is the Contractor's employer and, accordingly, is responsible to pay Contractor and withhold all applicable benefits, payroll taxes, Workers' Compensation premiums, and unemployment taxes required to be paid for the Contractor's services. Client is responsible for all FoxHire expenses of collection and attorney's fees for same in the event of a default in payment by Client.

8. Price of Services. Client will pay FoxHire the bill rate(s) specified in the PSA for time worked and logged by the Contractor for the Client, together with all applicable sales tax, as required by law.

9. Compliance with Law/Non-Discrimination. FoxHire and Client each represents and warrant that they are compliant with, will continue to comply with, and will cooperate with each other in the compliance of all applicable laws and regulations related to the selection, utilization, and termination of the Contractor. The Parties are equal opportunity employers and will not discriminate against the Contractor on the basis of his or her gender, race, religion, color, age, marital status, national origin, handicap, disability, military status or any other protected status.

10. Term. FoxHire or Client may terminate this Agreement at any time for any reason with notice to the other via email, U.S. Mail, or national express courier. Client will pay FoxHire for all services rendered and any applicable expenses incurred by each Contractor up to the date of termination.

11. Relationship of Parties. The confidentiality obligations hereunder will survive the termination or expiration of this Agreement for a period of two (2) years. Because remedies at law may be inadequate to protect confidential information, Recipient agrees that in the event of actual or threatened breach, Discloser may seek injunctive or other equitable relief in Disclosure's favor, without proof of actual damages or the requirement of posting a bond or other security.
