Project: Lieser (Ex-Marshall) Roofing; 6400 Macarthurt Blvd. Vancouver, WA 98661

EXHIBIT "A" – QUALIFICATIONS / EXCLUSIONS/ GENERAL CONDITIONS

1. All costs are based on award of full scope of work as described herein.
2. Contents & Salvage items will be removed by others prior to project start.
3. All layouts and utility disconnects are by others.
4. All work is at a regular 5 day, 40 hour work schedule with hours between 7 a.m – 3:30 p.m (M-F)
5. GDSI is not responsible for minor surface damage caused from tape or staples
6. Client to allow GDSI drop box at nearest egress.
7. Client to provide parking for company vehicle for duration of project.
8. Client to provide clear access to the work zone.
9. Client to provide for any street or sidewalk closures.
10. Client to provide water connection and power.
11. Excludes all weather related issues, covers, protections, diversions and or water intrusions.
12. Owner to provide air monitoring clearances, including TEM's.
13. This proposal does not include additional costs for materials not identified in the Hazardous Materials Survey Report.
14. GDSI is not to be held responsible for any conduit, piping, or any other foreign objects buried in or attached to back side of ceilings, walls, or slabs, and/or any cost for damages caused by cutting, chipping or breaking of these ceilings, walls and slabs.
15. Minimum trip & equipment charge of $1,250.00 to apply for all additional mobilizations onto site that aren't specified in the inclusions listed above.
16. If this proposal is accepted, it shall become part of the Subcontract in whole.
17. Mutually acceptable project schedule, payment terms and other contract terms shall be negotiated and set forth in a written contract/subcontract document that shall incorporate the Terms/Exclusions/Scope Clarifications and Scope of Work of this proposal.
18. A Project Manager for the G.C. with the authority to approve and execute this Proposal will be required to notify GDSI of approval in writing prior to project start.
19. Prime Contract, Subcontract, Plans, Specifications, and work not listed in this Proposal does not supersede this Proposal.
20. If this Proposal is accepted, it shall become part of the Subcontract in whole. The Subcontract requires a mutually agreed upon project schedule, payment terms, insurance and/or bonding requirements, and contract terms and shall incorporate this Proposal by reference, including the Qualifications/Exclusions.
21. Excludes floor grinding, media blasting, or 100% wall and floor mastic removal.
22. Excludes Overtime, Holiday Pay, or Weekend Work except if noted above in the specific inclusions.
23. Excluding incidental damage to salvageable items.
24. Excludes Performance, Bid or Payment Bonds

We appreciate your consideration of our Proposal and encourage you to call with any questions you may have. We look forward to hearing from you.
