EXHIBIT B
GENERAL TERMS & CONDITIONS

1. **Authority & Organization.**
   - **1.1** This Agreement is entered into in accordance with the authority granted in the Interlocal Cooperation Act, RCW 39.34 (specifically 39.34.030 and 39.34.080) and provisions that authorize educational service districts and school districts to contract with each other for services, specifically 28A.310.010, 28A.310.180, 28A.310.200, 28A.320.080 and 28A.320.035.
   - **1.2** A separate legal entity is not being created. ESD112 shall administer the joint undertaking described in the terms of this Agreement.

2. **General Responsibilities of the Parties.** ESD112 and the District shall:
   - **2.1** Conduct background checks on any officials, employees, volunteers or agents who may perform obligations under this Agreement and who may have contact with children in a public school or ESD112 facility. No party/person who has plead guilty to, or been convicted of, a felony crime specified in RCW 28A.400.322 shall be allowed to do work under this Agreement if they may have contact with children in a public school or ESD112 facility. Failure to comply with this provision is grounds for immediate termination of the Agreement.
   - **2.2** Comply with federal, state, and local laws in performing obligations under this Agreement, and any policies or regulations adopted by the Parties' respective boards of directors.
   - **2.3** Obtain and maintain general liability coverage, including contractual liability coverage, and automobile coverage in an amount not less than $1,000,000 per occurrence. The Parties shall, upon request, provide each other suitable evidence of the coverage required.
   - **2.4** Obtain any licenses or permits required to perform their respective obligations under this Agreement.
   - **2.5** Maintain books, records, documents, data and other materials compiled and related to the performance of obligations under this Agreement for the time period required under law or any applicable grant agreement. Both Parties agree to provide access to and copies of any such books, records, documents, data or other materials to the other party upon request.
   - **2.6** Take all necessary steps to protect the confidentiality of educational records and shall not disclose such records or the information obtained from having access to such records without obtaining the consent of the other party and the parent of the student whom the record pertains to.

3. **Amendment.** Changes to services ESD112 is obligated to provide or fees the District is obligated to pay shall be addressed in signed amendments to this Agreement, provided forty-five (45) days before the amendment is to take effect, unless otherwise mutually agreed.

4. **Termination and Damages for Termination with Inadequate Notice.**

4.1 **Mutual Termination.** This Agreement may be terminated by mutual agreement by the Parties.

4.2 **Damages Paid by the District for Services Provided by Certificated Employees.** If the District fails to notify ESD112 that it is terminating this Agreement prior to the Renewal Term of May 1st (see Exhibit A, Section 2.2) and this Agreement is for services provided by ESD112 employees who have a certificated contract with ESD112, there may be material adverse financial consequences to ESD112. The adverse financial consequences, or damages, may likely exceed the fee the District would have paid for the Renewal Term. If the District terminates the Agreement without giving notice prior to May 1st and ESD112 has employed certificated staff to provide services under the Agreement, the District agrees to pay ESD112 the amount owed for the Renewal Term as damages. The damages the District is agreeing to pay shall represent a reasonable reflection and estimate of the damages ESD112 shall incur.

4.3 **Damages Paid by the District for Services Provided by Non-Certificated Employees**. If the District fails to notify ESD112 that it is terminating this Agreement prior to the Renewal Term of May 1st (see Exhibit A, Section 2.2) and this Agreement is for services that are provided by ESD112 employees who do not have a certificated contract with ESD112, the damages ESD112 shall incur may be less than the fee the District would have paid to receive the services for the Renewal Term. In that case, the District shall pay ESD112 for damages ESD112 incurs as a direct or indirect result of not being notified by May 1st that the District is terminating the Agreement.

4.4 **Damages Paid by ESD112.** If ESD112 fails to notify the District that it is terminating this Agreement prior to the Renewal Term of May 1st (see Exhibit A, Section 2.2), ESD112 shall pay the District the costs the District incurs to obtain the services ESD112 was obligated to provide from a third party, but only to the extent the costs exceed what the District would have paid ESD112, and the fees the District pays the third party must be based on reasonable market rates.

4.5 **Payment.** The damages that are owed under this section shall be paid in full within thirty (30) days of receipt of an invoice. This requirement shall survive termination of the Agreement.

5. **General Provisions.**

5.1 **Assignment.** Neither this Agreement nor any interest therein may be assigned by either party without the prior written consent of the other party.

5.2 **Attorneys' Fees and Costs.** In the event litigation arises out of this Agreement, each party shall bear its own attorney's fees and costs.

5.3 **Authority.** The terms and conditions of this Agreement to which the Parties agree are being entered into by appropriate resolutions or delegation of authority by the respective boards of directors of ESD112 and the District.

5.4 **Captions.** Paragraph headings have been included for the convenience of the Parties and shall not be considered a part of this Agreement for any purpose relating to construction or interpretation of the terms of this Agreement.

5.5 **Compliance Orders.** ESD112 shall:

5.5.1 Deliver all services under this Agreement in compliance with the most current guidelines issued by the Centers for Disease Control and Prevention (CDC), Washington Department of Health, and the Office of Superintendent of Public Instruction (OSPI) guidelines, and comply with the state proclamations and orders as pertains to any infectious disease outbreaks or pandemics.

5.5.2 Adjust delivery of services as requested and/or required to meet needs to comply with Section 5.5.1 above without modification to terms of the Agreement.

5.6 **Conflict of Interest.** No person engaged in any activity associated with this Agreement has a personal financial interest, direct or indirect, in this Agreement. ESD112 and the District warrant that neither party presently has interests, and will not acquire interests, directly or indirectly, which would create a conflict of interest in performing the obligations under this Agreement. Any direct or indirect conflict of interest must be disclosed.

5.7 **Force Majeure.** ESD112 and the District shall not be liable for any failure to perform its obligations in this Agreement, and shall not be liable for the damages in Section 4 above, if the failure to perform or action that gave rise to damages is a result of any act of God, riot, war, civil unrest, flood, earthquake, or other cause beyond such party's reasonable control, such as changes to federal, state or local laws, but excluding failure caused by a party's financial condition or negligence.

5.8 **Governing Law and Venue.** This Agreement shall be governed by the laws of the State of Washington and any action or litigation undertaken to enforce the terms of this Agreement shall be conducted in Clark County, Washington.

5.9 **Indemnification.** Both Parties agree to protect, defend, indemnify and hold the other party, and its directors, officers, agents and employees harmless from any and all claims and losses that are caused by the indemnifying party, or the indemnifying party's directors', officers', agents' or employees' negligent or malicious acts or omissions.

5.10 **Intellectual Property.** Any materials ESD112 produces shall be owned by ESD112. ESD112 shall be considered the author of such materials. To the extent materials being produced in connection with this Agreement are found to be "works for hire", the District hereby irrevocably assigns all right, title and interest in such materials, including intellectual property rights, to ESD112 effective from the moment of creation. The District shall not use any materials produced for, or by, ESD112 in connection with this Agreement without obtaining ESD112's prior written consent.

5.11 **Non- Discrimination.** Per requirements of state, local and federal laws, ESD112 and the District are prohibited from discriminating on the basis of race, color, religion (creed), national origin (ancestry), citizenship or immigration status (except as permitted by applicable laws), age, sex, gender expression or identity, sexual orientation, genetic information, honorably discharged veteran or military status, national guard or uniformed service status, marital status, family/parental status, income derived from a public assistance program or income assignment for child support, domestic violence victim status (if known), arrest and court record (except as permitted by applicable laws), political beliefs, non-job-related
