PROPOSED POLICY REVISIONS

Information Item

Rationale: The proposed policy revision clarifies that the superintendent is responsible for establishing procedures for payroll operations as authorized by law.

Program Planning, Budget Preparation, Adoption and Implementation

The district's annual budget is tangible evidence of the board's commitment toward fulfilling the aims and objectives of the instructional program and providing for the efficient and effective operation of the district. The budget expresses in specific terms the services to be provided, consistent with immediate and long-range goals and available resources and establishes priorities within broad program areas such as basic education, other separately funded programs and support services. Each year the district prepares a budget ~~will be prepared~~ for the ensuing fiscal year. The budget ~~will~~ sets forth the complete financial plan of the district for the ensuing school year.

Prior to presentation of the proposed budget for adoption, the superintendent will prepare for the board's study and consideration appropriate documentation supporting his/her recommendations, which ~~will be~~are designed to meet the needs of students within the limits of anticipated revenues consistent with reasonable management practices. Program planning and budget development ~~will~~ allow for staff participation and the sharing of information with community members prior to action by the board.

I. Fiscal Year

The district fiscal year will begin September 1 each year and will continue through August 31 of the succeeding calendar year.

II. Budget Preparation, Notice and Submission to ESD and OSPI

A. Unless the date is delayed by the superintendent of public instruction, on or before the 10th day of July in each year, the district shall prepare the budget for the ensuing fiscal year. The annual budget development process ~~shall~~ will include the development or update of a four (4) year budget plan that includes a four (4) year enrollment projection. The four (4) year budget plan will include an estimate of funding necessary to maintain the continuing costs of program and service levels and any existing supplemental contract obligations.

B. The completed budget will include a summary of the four (4) year budget plan and set forth the completed financial plan of the district for the ensuing fiscal year.

C. By July 10th, the district will submit a copy of the budget and four (4) year budget plan to its educational service district and to the office of the Office of the Superintendent of Public

DRAFT

Instruction (OSPI) for review and comment, unless the superintendent of public instruction has delayed the date because the state operating budget was not adopted by June 1.

III. Budget: Notice, Hearing, Adoption, and Filing

A. The board of directors will meet to fix and adopt the budget for the ensuing fiscal year. The district will provide notice of the meeting. The notice will designate the date, time, and place of the meeting. Any person may appear at the meeting and be heard for or against any part of the budget, the four (4) year budget plan, or any proposed changes to uses of enrichment funding. The district will publish the notice electronically and will publish it at least once each week for two (2) consecutive weeks in a newspaper of general circulation in the district. The last notice will be published no later than seven (7) days before the meeting.

B. On the day given in the notice, the board of directors will meet at the time and place designated. At the meeting, the board of directors will, by resolution, adopt the budget, the four (4) year budget plan summary, and the four (4) year enrollment projection; and will record its action in the official minutes. Copies of the budget will be filed with the superintendent of public instruction.

C. The district's dates for adoption and filing are as follows:

1. Budget adopted by August 31st;

2. Budget filed with ESD by September 3rd; and

3. Budget filed with OSPI by September 10th.

IV. Budget Implementation

The board places responsibility with the superintendent for administering the operating budget, once adopted. All actions of the superintendent in executing the programs and/or activities as set forth in the adopted operating budget are authorized subject to the following provisions:

A. Expenditure of funds for the employment and assignment of staff meet the legal requirements of the state of Washington and adopted board policies;

B. Funds held in equity accounts (General fund #810-898) for self-insurance and other such contingencies may only be expended pursuant to conditions specified in Policy 6022 and the Washington Accounting Manual for Public Schools;

C. Purchases are made according to the legal requirements of the state of Washington and adopted board policy;

D. Funds may be transferred from one budget classification to another subject to such restrictions as may be imposed by the board;

E. The superintendent or designee will be responsible for establishing procedures to authorize and control the payroll operations of the district~~. No involuntary deduction may be made from the wages of a staff member except for federal income tax, social security, medical aid, and state retirement, or in compliance with a court order such as garnishment~~; and
