Memorandum of Agreement
between
Vancouver Public Schools
District No. 37
and
Washington State University Vancouver

THIS AGREEMENT is made and entered into this _____day of _____, 2021, between the Vancouver School District No. 37 (VSD) and Washington State University Vancouver, (WSUV).

TIME OF COMMENCEMENT AND COMPLETION. The obligations described in this Agreement become effective on the last date this Agreement is signed by either party. The Agreement will terminate on September 30, 2022, but may be renewed for additional terms.

TERM. This Agreement is for the 2021-2022 grant year, and allows Hudson's Bay High School, Fort Vancouver High School, McLoughlin Middle School, and Discovery Middle School students to become participants in the TRiO Talent Search services grants.

WSUV will provide two full-time College Access Coaches and part-time college tutors within each of the participating high schools. Vancouver Public School students who sign up to be participants will receive a minimum of two services per participant each year they are involved in the program. These services encourage and support secondary school persistence and graduation, and promote post-secondary enrollment and attainment. Services may also provide financial aid and financial literacy training, career counseling and tutoring. (Services are outlined by grade level in Appendix A.)

The services and personnel provided through the TRiO Talent Search program are available only to the four schools listed in the TERM of Agreement. These services will be provided by WSUV personnel, and WSUV will be fully responsible for the compensation of the Talent Search Grant personnel working within the VSD schools. WSUV TRiO Talent Search staff working in the schools will have completed the necessary criminal background checks and fingerprinting required to work with students under the age of sixteen (16), and will have completed and abide by VSD volunteer agreements.

At the beginning of each school year and at the beginning of each subsequent school term, WSUV, in consultation with VSD staff and administrators, will select high school and middle school level courses and VSD programs through which to recruit and partner with providing services to participants.

VANCOUVER PUBLIC SCHOOLS will provide office space within the high schools for each of the two College Access Coaches (advisors) who will work in Hudson's Bay High School and two College Access Coaches (advisors) who will work in Fort Vancouver High School. VPS will also provide access to Skyward for students enrolled in TRO to the WSU Director of Talent Search. This is necessary for the College Access Coaches to be fully integrated into the culture of each high school, as well as providing space and opportunity to meet with the students who are or will be participants in the program.

The school administrators at each school will support necessary recruitment strategies to help ensure successful recruitment of a total of 1,000 participants.

WSUV TRiO Talent Search staff who work within the schools will also be granted access to other areas of the school, such as the cafeteria, library or student commons area, to provide after-school tutoring and sponsor special events for student participants to attend. All costs for the events and activities provided by the Talent Search program will be paid by WSUV.

CONFIDENTIALITY OF STUDENT INFORMATION. Student records and demographic information will be provided for under a separate Data Sharing Agreement between VSD and WSUV. The parties agree that all student educational records created or obtained in the course of performing this Agreement shall be subject to the confidentiality, disclosure, and re-disclosure provisions of the Family Educational Rights and Privacy Act (FERPA) and other applicable federal and state statutes and VSD policies and regulations.

INDEMNIFICATION AND HOLD HARMLESS. VSD agrees to protect, defend, indemnify and to hold harmless WSUV, its officers, agents, and employees from any and all claims and losses and from any and all claims and losses resulting to any person who may be injured in performance of the agreement, if claims or losses are caused by acts of VSD officers, agents or employees.

WSUV agrees to protect, defend, indemnify and to hold harmless VSD, its officers, agents, and employees from any and all claims and losses and from any and all claims and losses resulting to any person who may be injured in performance of the agreement, if claims or losses are caused by acts of WSUV officers, agents or employees.

TERMINATION. The parties agree that either party, with or without cause, reserves the right to terminate this Agreement. One hundred-eighty (180) days notice of termination is required for the party seeking termination unless the parties otherwise mutually agree.
