Contractor may, at Contractor's expense, use any employees or subcontractors as Contractor deems necessary to perform the services required of Contractor by this Agreement. District shall not control, direct, or supervise Contractor's employees or subcontractors in the performance of those services.

3. Compensation. As total compensation for the services rendered by Contractor under this Agreement, District shall pay Contractor $750,000 for completion of the project and/or services set forth in this Agreement. If compensation is to be based on an hourly rate rather than a flat fee, please explain why: Interpreting services are billed at an hourly rate.
Reimbursement for travel related costs is not to exceed $n/a and is included in the above total amount.

District agrees to pay Contractor such compensation upon satisfactory completion of project and/or services, upon receipt of Contractor invoice which refers to the District Purchase Order Number, and upon verification by a District employee of services performed.
