3. Recommendation to Approve Revised SEIU Salary Schedule for School Year 2017-2018 506

Rationale: The following action item is due to an error identified on September 5, 2017 while reviewing the SEIU hourly wage schedule. Corrections have been made to the Elementary School Custodian & Pool Operator certification amount from *Certified - $22.57/$23.55 to *Certified - $22.57/$23.07. This did not affect any classified SEIU employees, as the wage increase was effective September 1, 2017.

Adopt the Revised Salary Schedule for all classified employees in Service Employees International Union (SEIU) bargaining unit.

Funding Source: General Fund

Recommendation: That the Board of Directors approve the revised salary schedule and conditions for each employee group by the amount indicated above. Schedules and conditions are effective September 1, 2017.

4. Recommendation to Approve Out-of-Endorsement Assignment for Stacey Smith 207

Rationale: Washington State WAC 181-82-110 requires an out-of-endorsement assignment be approved by a formal vote of the local school board.

Stacey Smith is an English and Social Studies teacher at Alki Middle School. She completed her bachelor's degree from California State University, Sacramento with a major in English. She holds an English endorsement on her Washington State Continuing Teacher certificate. Stacey has taught English and Social Studies for 22 years in Vancouver Public Schools. Under federal highly qualified requirements, Stacey was deemed highly qualified in History due to her years of experience, and multiple college level and professional development courses in History. Alki Middle School blocks English and Social Studies together, so while Stacey does not hold a History or Social Studies endorsement, she is an ideal candidate to continue teaching both English and History. The Board's approval of an out-of-endorsement assignment will enable the District to complete this placement.

Funding Source: N/A

Recommendation: That the Board of Directors approve an out-of-endorsement assignment request for Stacey Smith.

Rationale: District employees have a choice of medical-hospital service groups, one being WEA Select Health Plans. The WEA will no longer sponsor plans with Premera Blue Cross. Instead, the WEA will offer plans with Aetna and UnitedHealthcare. Each carrier will offer the same suite of plan options and also provide access to a large preferred provider organization (PPO) network and a smaller high performance network of health care providers. The WEA Select Health Plans group medical-hospital participation agreement is for the period November 1, 2017, through October 31, 2018. Approximately 1,700 employees have selected WEA Select Health Plans coverage for themselves and/or their families.

The change to premiums for the 2017-2018 contract year vary from a decrease of 7.0 percent to an increase of 5.7 percent depending on plan, carrier, and network. Full-time employees have approximately $650 per month to help offset health benefit cost.

12. Recommendation to Approve Contract Extension No. 2014-004-4 – Athletic Uniforms and Equipment 215

Rationale: On June 24, 2014, the Board of Directors approved the award of Bid No. 2014-004 for the purchase of an unspecified quantity of athletic uniforms and equipment to be utilized by the Vancouver School District's (District) middle schools and high schools for athletic programs; including football, baseball, softball, basketball, soccer, wrestling, volleyball, track, physical education, and cheerleading. The intent of this bid is to establish convenience contracts with various athletic manufacturers and local distributors for the purchase of all athletic uniform and equipment products. These convenience contracts allow District schools to purchase any quantity of products with no minimum or maximum dollar limitations at the deepest discounts available. The convenience contracts also allow schools to purchase athletic uniforms at the earliest possible order date, thereby taking advantage of additional early order discounts. This recommendation constitutes the fourth year of a five-year contract for the purchase of athletic uniforms and equipment for the 2017-2018 school year.

Bid Tabulation: A vendor bid tabulation listing specific athletic uniform and equipment manufacturers, discounts and terms offered by each distributor, and award-related comments is on file in the purchasing department.

Cooperative Bid/Interlocal Agreements: The Vancouver School District has taken the lead to cooperatively bid athletic uniforms and equipment on behalf of other school districts in Washington and Oregon. This contract extension shall include the requirements of the Vancouver School District only. All school districts that choose to utilize this contract will be required to execute an Intergovernmental Cooperative Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of each of the six (6) awarded vendors representing twenty-one (21) manufacturer product lines during the third year of the contract in terms of consulting with school and coaching staff, providing ordering and pricing information, furnishing catalogs, and delivery of orders. All awarded vendors met District requirements and received high marks from the evaluation committee.

Vendor Recommendation: Under the terms and conditions of the bid, the District and awarded vendors are allowed to add and/or delete manufacturer products lines to the approved manufacturer product list. For the 2017-2018 school year, no additional product lines were added and none were deleted. Upon the committee's review, staff recommends contract extensions be awarded to each of the six (6) recommended distributors representing twenty-one (21) manufacturer product lines for the purchase of an unspecified dollar amount of athletic uniforms and equipment at the unit prices and terms of bid.

Financial Evaluation: In accordance with the terms and conditions of Bid No. 2014-004, vendors must hold the percentage of discount or markup to the manufacturer's list price firm for the entire term of the five-year contract; however, vendors are allowed to introduce current manufacturer's price lists as they are published.
