Recommendation: That the revised request(s) for leave of absence without pay for the above-listed personnel be approved.

2. Recommendation for Adoption of Resolution No. 864 to Renew Memorandum of Agreement between Vancouver School District No. 37 and Washington State University Vancouver 2

This agreement allows iTech Preparatory freshmen, sophomore, junior, and senior students to receive instruction in college level courses at Washington State University Vancouver (WSUV) on the Washington State University Vancouver Campus for the 2020-2021 school year.

Rationale: WSUV will provide freshmen, sophomore, junior, and senior Vancouver Public School students enrolled at iTech Preparatory School the opportunity to receive instruction in college level courses in the 2020-2021 school year. This opportunity to receive college credit is only available to freshmen, sophomore, junior and senior students enrolled at iTech Preparatory School. These courses will be taught by WSUV faculty. WSUV will be fully responsible for the compensation of any WSUV faculty whose classes include iTech Preparatory students.

Prior to enrolling in a college-level course, the iTech Preparatory student must demonstrate readiness to succeed in those courses. Representatives of iTech Preparatory and WSUV will confer and agree on measures of readiness and performance to be reviewed prior to a student's enrollment in a college-level course.

Funding: Vancouver School District will pay WSUV for instructional services in the amount of Two Hundred and Sixty Nine and 07/100 ($269.07) Dollars per credit hour for each college level course attended by an iTech freshman, sophomore, junior or senior student during the 2020-2021 school year. The total cost estimate is estimated to be $30,000 based upon student participation. The cost structures are modeled from the State Running Start reimbursement rates. Running Start rates are set by OSPI each year, not by individual colleges/universities.

Per credit, year over year: Academic $263.60 (2019-2020); $269.07 (2020-2021)

Fund Source: General Fund

Reviewed by the Committee of the Whole: YES

Recommendation: That the Board of Directors renew the Memorandum of Agreement between Vancouver School District No. 37 and Washington State University Vancouver for the 2020-2021 school year.

3. Recommendation for Adoption of Resolution No. 865 to Renew Memorandum of Agreement between Vancouver School District No. 37 and Clark College 3

This agreement allows iTech Preparatory freshmen and sophomore students to receive instruction in college level courses at Clark College for the 2020-2021 school year.

Rationale: Clark College will provide freshmen and sophomore Vancouver Public School students enrolled at iTech Preparatory School the opportunity to receive instruction in college level courses in the 2020-2021 school year. This opportunity to receive college credit is only available to freshmen and sophomore students enrolled at iTech Preparatory School. These courses will be taught by Clark College faculty. Clark College will be fully responsible for the compensation of any Clark College faculty whose classes include iTech Preparatory students.
Prior to enrolling in a college-level course, the iTech Preparatory student must demonstrate readiness to succeed in those courses. Representatives of iTech Preparatory and Clark College will confer and agree on measures of readiness and performance to be reviewed prior to a student's enrollment in a college-level course.

Funding: Vancouver School District will pay Clark College for instructional services in the amount of One Hundred Seventy Nine and 38/100 ($179.38) Dollars per credit hour for each college level course attended by an iTech freshman or sophomore student during the 2020-2021 school year. The Vancouver School District will pay Clark One Hundred Ninety Nine and 74/100 ($199.74) Dollars for each vocational course attended by an iTech freshman or sophomore student during the 2020-2021 school year. The total cost is estimated to be $50,000 based upon student participation. The cost structures are modeled from the State Running Start reimbursement rates. Running Start rates are set by OSPI each year, not by individual colleges/universities.

Per credit, year over year: Academic $175.73 (2019-20); $179.38 (2020-21)
Vocational $195.72 (2019-20); $199.74 (2020-21)

Fund Source: General Fund

Reviewed by the Committee of the Whole: YES

Recommendation: That the Board of Directors renew the Memorandum of Agreement between Vancouver School District No. 37 and Clark College for the 2020-2021 school year.

4. Recommendation to Approve Instructional Materials for use in the 2020 – 2021 School Year 4

Rationale: Following the Instructional Materials Committee (IMC) review on September 9, 2020, the following subject-area instructional materials are recommended by district staff.

Reviewed by the Committee of the whole: YES

Funding Source: Basic Education

Recommendation: That the Board of Directors approves the instructional materials for use in the 2020 – 2021 school year.

5. Recommendation to Approve Change Order with Todd Construction Inc. for Harry S. Truman Elementary 5

Rationale: On December 18, 2018, a contract was awarded to Todd Construction Inc. Tualatin, OR, for the construction of the Harry S. Truman Elementary replacement school.

During the course of construction, additional work was required to perform new parking lot soil remediation prior to paving as a result of unsuitable soils found underneath the original school, which was demolished. The work includes cement treating of the parking lot area and removal/replacement of organic soil. The change order has been reviewed by the district's consultant, Bassetti Architects, and is recommended for approval. The total cost for the Change Order is $183,599.43 which will be charged to the project's contingency account.

Reviewed by the committee of the whole: YES

Funding Source: Capital Projects Fund

Recommendation: That the Board of Directors approves a Change Order for additional improvements at Harry S. Truman Elementary with Todd Construction Inc. in the amount of $183,599.43, plus Washington State sales tax and, that the Superintendent be authorized to execute the change order document.

6. Recommendation to Approve the Waterline Easement with Bill of Sale to the City of Vancouver, for Franklin Elementary School 6

Rationale: Waterline improvements will be constructed as part of the Franklin Elementary School project. Per city code, the property owner must grant an easement to the city for public system improvements which are connected to the municipal system. The easement allows the city access for ongoing inspection, maintenance, and repair of the new systems. Additionally, a Bill of Sale is required to convey the improvements to the City.

Appropriate legal documents conveying the improvements to the city are attached.

Reviewed by the committee of the whole: YES

Funding Source: N/A

Recommendation: That the Board of Directors authorize the Superintendent to execute the Waterline Easements with a Bill of Sale to the City of Vancouver, Washington for the Franklin Elementary School Project.

7. Recommendation to Renew the Cooperative Information Management Services Agreement between the Educational Service District #112 and Vancouver Public Schools for the 2020-2021 School Year 7

Rationale: This agreement will provide for the following cooperative data processing, software support services through the SW Regional Service Center (SWRSC):

1. Fiscal Management System Services – Provided through the Washington State Information Processing Cooperative (WSIPC) including payroll processing, budget preparation, equipment inventory, warehouse inventory, report writer program and work order system.
2. Student Management System Services – Software to provide a database system, full scheduling capabilities, grade reporting, scanning, transcript reporting, attendance system and enrollment reporting for FTE.

This cooperative agreement has provided critical data processing services for over ten years; the renewal would continue services through the 2020-21 school year.

In addition, per the terms of the agreement, the previous year is adjusted based upon final annualized enrollment. The total estimated cost for 2020-21 is $851,964.97, an increase of $15,637.18, over 2019-20.

Reviewed by the committee of the whole: YES

Funding Source: General fund.

Recommendation: That the Board of Directors approve payment to the Educational Service District #112 for computer processing, software and coordination in an amount of $37.35 per annualized FTE, including applicable sales tax, with a 2019-2020 fee adjustment of $15,637.18, for a total expenditure not to exceed $851,964.97 for the 2020-21 school year, and authorize the president and secretary to execute the appropriate documents.

8. Recommendation to Approve Annual Renewal of Insurance Coverages 8

Rationale: The district has been a member of Schools Insurance Association of Washington (SIAW) for the past 18 years. SIAW is a member-owned and directed property and liability risk insurance pooling program for Washington school districts. An eight-member board of directors elected by the members governs the program. SIAW contracts with Clear Risk Solutions for the day-to-day administration of the program. SIAW self-insures losses that are manageable and predictable. Reinsurance coverage is purchased to protect the members against catastrophic claims.

Members of the SIAW program enjoy the benefit of replacement cost property valuation. Property values are established on a cost per square foot basis for a certain size metro or rural area. They include soft costs such as architectural/engineering fees, permit fees, surveying, testing/inspection and legal fees. The district's insurable values for all of its property and contents are approximately $979 million for 2020-21.

Our 2020-21 SIAW premium will be $2,834,534.51, including a broker fee of $70,000. This is a pool premium increase of 17 percent. We anticipated the increase as new buildings came on-line as part of this year's premium. Additionally, the district's technology initiatives increased insurable assets.

Our insurance broker, Biggs Insurance Services, and district staff have reviewed SIAW's renewal package and rates. They recommend the district's insurance needs be placed with SIAW for the 19th year.

Another district insurance policy includes $10 million in excess earthquake insurance. The annual premiums for this policy totals $99,105.41. This will continue to be placed with other insurance companies, as the SIAW does not provide these types of coverage.

In addition, the district's ongoing capital improvement projects will require Course of Construction coverage. The coverage protects the district from a loss during construction. Course of construction insurance will be placed as projects begin construction. The estimated premium amount for projects that will be under construction in 2020-2021 is $ 300,000.00.

Reviewed by the committee of the whole: YES

Funding Source: General fund except Course of Construction coverage funded by Capital Projects.

Recommendation: That the board of directors authorize the district to continue as a member of Schools Insurance Association of Washington (SIAW) for the period September 1, 2020 through August 31, 2021; and authorize Biggs Insurance Services to place insurance coverage with SIAW for a total annual cost not to exceed $3,000,000.00 and $99,105.41 for excess quake.

9. Recommendation to Approve Portable Rental Agreement – Aries Building Systems 9

Rationale: The Vancouver School District (District) has a continued need for portable classroom space due to the State authorized K-3 grade level class size reduction. It will be necessary to maintain seven (7) double portable classroom units at selected sites through the 2020-2021 school year. The portables will provide relief to sites requiring additional teaching stations. The portables are expected to be a short term solution until such time that more permanent classrooms can be addressed. It is anticipated that four (4) of these portables will be returned to Aries Building Systems at various times during the year as construction projects allow. This includes portables at old Ogden, Sacajawea, Walnut Grove, and Fruit Valley.

It is recommended that the District rent the portables and associated ramp systems under a 12-month lease in order to secure the lowest monthly rental cost. For the four portables to be returned, the vendor has agreed to provide the same lease pricing on a month-to-month basis. The District will utilize the TIPS Interlocal purchasing agreement that the District is a member of to secure the portables.

Aries Building Systems, Bellevue, WA. is the manufacturer of the portables. The rental contract has been reviewed by legal counsel.

Reviewed by the committee as the whole: Yes

Funding Source: General Fund

Recommendation: That the Board of Directors approve a 12-month lease for seven (7) double portable classroom units for the 2020-2021 school year from Aries Building Systems, Bellevue, WA through a TIPS Interlocal purchasing agreement in the monthly amount of $1,560.00 each for three portables and $1,429.00 each for four portables plus associated ramp systems in the monthly amount of $380.00 for a total maximum annual amount of $156,672.00 plus applicable taxes and that the president and secretary be authorized to execute the lease documents. Depending on when the four month-to-month portables are returned, the annual maximum will be lowered.

10. Recommendation to Approve Purchasing Agreement 2020-074 Weight Room Equipment for Hudson's Bay High School 10

Rationale: The Vancouver School District (District) will be purchasing and installing weight equipment for Hudson's Bay High School as part of the overall weight room renovation project. The scope for this portion of the project includes the purchase, delivery and installation of the new equipment as well as the removal and disposal of surplus equipment.

The purchase replaces equipment that has deteriorated beyond economical repair and in some instances will soon pose a safety risk where use will be discontinued.

The District will utilize Sourcewell contract #120215 cooperative bid/contract for this purchase. The District is a Sourcewell member, which is available to all districts in the state of Washington. The contract amount is $128,801.93, plus Washington state sales tax.

Award Tabulation: The District will utilize the Sourcewell procurement program. Lifefitness will be the contract agency for Hammer Strength and associated product.

Reviewed by the Committee as a whole: Yes.

Funding Source: Capital Projects Fund.

Recommendation: That the Board of Directors approve a contract with Life Fitness through a Sourcewell cooperative bid for the purchase, delivery, and installation of Hammer Strength and associated product at Hudson's Bay High School in the amount of $128,801.93, plus Washington state sales tax, and authorize the Superintendent to execute the purchase agreement.

11. Recommendation to Renew the Educational Institution Agreement, between the Vancouver Public Schools and Maxim Healthcare Services for VPS Students 11

Description: Maxim Healthcare Services provides one or more licensed health care providers (i.e. RNs, LPNs, BCBAs, RBTs, Behavior Techs, etc.) who provide services to physically and/or mentally disabled VPS students.

Vancouver Public Schools will pay Maxim Healthcare Services hourly rates ranging from $50.00 to $115.00 depending on what type of services each student needs.

Rationale: The IEP team has determined these students need specialized services.

Reviewed by the committee of the whole: YES

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: General Fund

Recommendation: That the Board of Directors Renew the Educational Institution Agreement Between the Vancouver Public Schools and Maxim Healthcare Services for Nursing, BCBA, RBT, Behavior Tech, etc., services for VPS students for the 2020-21 school year in the estimated amount of $250,000 and further authorize staff to purchase additional services as needed for students, and authorize the president and secretary to execute the appropriate documents.

SPECIAL SERVICES 2020-21 CONTRACT
Background Information:
Name of Agency/District: Maxim Healthcare Services
Recommendation to Approve the Educational Institution Agreement Between the Vancouver Public Schools and Maxim Healthcare Services VPS students for the 2020-21 school year.
Renewal Contract: Yes
Previous number of years contracted with agency: 8
Approximate Number of Students to be Served: 60
Approximate Annual Cost to District: $250,000
Vancouver Public Schools will pay Maxim Healthcare Services hourly rates ranging from $50.00 to $115.00 depending on what services each student needs.
Services Provided:
Nursing, BCBA, RTB, Behavior Tech, etc., services for physically and/or mentally disabled VPS students.

12. Recommendation to Approve Award of Bid No. 2020-072 – Yearbooks 12

Rationale: The Invitation to Bid number 2020-072 was advertised on August 18, 2020 and again on August 25, 2020. Three (3) responses were received at the bid opening on September 1, 2020 for the purchase of 3,250 high school yearbooks and 2,400 middle school yearbooks to meet Vancouver School District (District) requirements for the 2020-2021 school year. The aggregate total includes 500 yearbooks for Arts and Academics, 250 yearbooks for Fort Vancouver, 700 yearbooks for Columbia River, 350 yearbooks for Hudson's Bay, 1,000 yearbooks for Skyview, 400 yearbooks for iTech, 50 yearbooks for the Vancouver Flex Academy, 400 yearbooks each for Discovery and Jason Lee, 300 yearbooks for Gaiser, 275 yearbooks for McLoughlin, 475 yearbooks for Alki, and 550 yearbooks for Jefferson.

Bid Tabulation: A vendor bid tabulation listing specific basic and optional yearbook unit prices, delivery dates, terms offered by each bidder, and award-related comments is on file in the purchasing department.

Contract Period: An evaluation was completed to determine the appropriate duration of the yearbook contract. Staff recommends a one (1) year contract be awarded with the option to extend the contract four additional years. The original one (1) year contract and any subsequent renewals will be to print yearbooks for all high schools and middle schools in the District and will be awarded to one (1) vendor. Staff will evaluate the awarded vendor's performance at the end of each contract period and will recommend a contract renewal or rebid for each option year of the contract.

Yearbook Specifications: A common yearbook specification was developed which included common criteria required to produce a base high school yearbook including a maximum $35.00 book cost, a maximum $40.00 sell cost to students, spring delivery, spring supplement, all color pages, glossy 80lb paper stock, 120-point cover board weight with 2-applied color or litho cover. District specifications also allowed for a minimum number of options for schools to customize their yearbook as overall project cost allows. A common base specification was also developed for middle schools.

Technical Evaluation: The evaluation committee has completed a review of the yearbooks offered by Jostens, Herff Jones, and Balfour. All bidders were in compliance with district specifications. This bid award recommendation is based upon a financial evaluation of unit prices which established the lowest bidder for each school's yearbook. The evaluation included the cost for each schools basic yearbook with no additional optional items requested by yearbook advisors. Herff Jones offered a bid for both high school and middle school yearbooks which was $51,096.44 lower then Balfour and $639,546.44 lower than Josten's bid's throughout the 5-year contract period. Specific details of the financial evaluation are included on the bid tabulation which is on file in the purchasing department.

Vendor/Itemized Recommendation: Based upon the committee's review and evaluation of the bids, staff recommends the bid be awarded to Herff Jones for the Arts and Academics yearbook at $6,085.00, the Fort Vancouver yearbook at $4,075.00, the Columbia River yearbook at $8,701.00, the Skyview yearbook at $15,925.00, the Hudson's Bay yearbook at $5,950.00, the iTech yearbook at $4,090.00, the Flex Academy yearbook at $1,575.00, the Alki yearbook at $2,959.49, the Discovery yearbook at $2,300.00, the Jason Lee yearbook at $2,000.00, the Gaiser yearbook at $2,001.00, the McLoughlin yearbook at $1,515.25, and the Jefferson yearbook at $2,8650.50, for a total award of $60,042.24 for base yearbooks. The Washington State Attorney General has determined that the sale of yearbooks is an ASB fundraising activity and thus not subject to sales tax. Herff Jones met all district yearbook requirements.

Financial Evaluation: An analysis of yearbook costs was completed which indicates a Herff Jones as the low bidder and fully capable of meeting District needs.

Funding Source: Purchase of high school yearbooks will utilize ASB funds which are generated from the sale of yearbooks by each district high school and middle school.

Reviewed by the committee as the whole: YES

Recommendation: That the Board of Directors approve a bid award for the purchase of yearbooks for the district's high schools and middle schools to Herff Jones in the amount of $60,042.49 for base yearbooks exclusive of Washington State Sales Tax and authorize staff to adjust purchases to meet the actual yearbook requirements of district schools for the 2020-2021 school year and authorize a one-year contract with the option to renew for four additional one-year periods.

13. Recommendation for Payment of Bills 13

Vouchers audited and certified by the auditing officer as required by RCW 42.24.080 and expense reimbursement claims certified as required by RCW 42.24.090 have been recorded on a listing which has been made available to the Board.

Approve for payment those vouchers included in the listing and further described as follows:

Vancouver School District
Fiscal Support Services
Recommendation for Payment of Bills

Approval of Expenditures for October 2020

General Fund Accounts Payable in an amount not to exceed $14,000,000.

General Fund Payroll and Payroll Liabilities to be dated October 31, 2020 in an amount not to exceed $24,000,000.

Associated Student Body Fund in an amount not to exceed $264,000.

Capital Projects Fund in an amount not to exceed $25,000,000.

Transportation Vehicle Fund in an amount not to exceed $0.

Payment of Bills

14. Recommendation for Adoption of Resolution No. 869 Recommending Condemning Racism and Establishing the Policy Directives on Diversity, Equity, Inclusion and Excellence in Education 14

Resolution No.869, Recommending Condemning Racism and Establishing the Policy Directives on Diversity, Equity, Inclusion and Excellence in Education is presented to the Board of Directors for adoption.

Rationale: This resolution outlines major features of the Board's future district-wide equity initiative. The resolution provides the Board's anti-racism statement, a commitment to create an equity work group, states the Board's plans for an equity audit, and promises future adoption of a district equity policy and procedure. Additionally, to support the Board's goals of diversity, equity, inclusion, and excellence in education, the resolution proposes future development or revision of Board policies in the areas of curriculum; instructional practices; recruitment, hiring and placement; operations; and school climate and culture.

Recommendation: That the Board of Directors approve Resolution 869 Condemning Racism and Establishing the Policy Directives on Diversity, Equity, Inclusion and Excellence in Education

Following discussion between members of the Board, and administration, it was moved by Director Sproul, seconded by Director Barrows. President Smith, Director Decker, Director Sproul, Director Barrows and Director Banfield voted yea, and passed to approve the Adoption of Resolution No. 869 Recommending Condemning Racism and Establishing the Policy Directives on Diversity, Equity, Inclusion and Excellence in Education.

15. Recommendation to Conduct a First Reading to Adopt Revised Policy 3120, Enrollment, in the 3000 Series, Students 15

Rationale: Attached is revised Policy 3120, Enrollment, which is presented to the Board for a first reading. The revised policy will be presented for a second reading and adoption at the November 10, 2020 regular meeting of the Board.

For the Board's convenience, additions are underlined (underlined), and deletions are indicated by words/numbers lined out (lined out). District staff, legal counsel, and the Board Committee of the Whole have reviewed the proposed revisions.

The policy is revised to include the updated juvenile offender notification provisions in Policy and Procedure 3143, Notification and Dissemination of Information about Student Offenses and Notification of Threats of Violence or Harm. The new policy language directs a school principal who receives information about a juvenile's adjudication or convictions to follow the processes in Policy and Procedure 3143, regarding dissemination of juvenile offender information.

Recommendation: That the Board of Directors conducts a first reading to adopt revised Policy 3120, Enrollment

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 10, 2020 Board meeting for approval.

16. Recommendation to Conduct a First Reading to Adopt New Policy 3142, International Student Exchange, in the 3000 Series, Students 16

Rationale: Attached is new Policy 3142, International Student Exchange, which is presented to the Board for a first reading. The policy will be presented for a second reading and adoption at the November 10, 2020 regular meeting of the Board.

District staff, legal counsel, and the Board Committee of the Whole have reviewed the proposed new policy.

International exchange students are student visitors from other countries who enroll in Vancouver Public Schools (VPS) on a J-1 VISA. Typically, the students are sponsored by an international travel student organization or other non-profit group. Exchange programs provide educational opportunities and benefits for international students, host families, and VPS students by allowing all participants to have a rich cultural experience. VPS has specific guidelines governing international exchange students, the sponsoring organizations' responsibilities, and expectations for student behavior. The proposed policy and procedure outlines student expectations and sponsoring organizations' responsibilities, and restores previous language that was in Policy and Regulation 6156, Foreign Exchange Students.

Recommendation: That the Board of Directors conducts a first reading to adopt new Policy 3142, International Student Exchange

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 10, 2020 Board meeting for approval.

17. Recommendation to Conduct a First Reading to Adopt New Policy 3143, Notification and Dissemination of Information about Student Offenses and Notification of Threats of Violence or Harm, in the 3000 Series, Students 17

Rationale: Attached is new Policy 3143, Notification and Dissemination of Information about Student Offenses and Notification of Threats of Violence or Harm, which is presented to the Board for a first reading. The policy will be presented for a second reading and adoption at the November 10, 2020 regular meeting of the Board.

District staff, legal counsel, and the Board Committee of the Whole have reviewed the proposed new policy.

During the 2020 legislative session, a new law passed regarding notification to schools of juvenile offenders. The new law clarifies previous notification requirements that were conflicting and cumbersome. For example, the law previously required notifications even when a student was not returning to school.

The new law changes the notification requirements for the agencies providing notice and for the districts and schools receiving notice. Some of the changes are as follows; notifications are no longer provided for:

- Former students who are over 21; or
- Students who have already received a diploma; or
- Students between 18 and 21 who indicate they will not enroll in an educational program.

The new law also clarifies provisions for maintaining the confidentiality and sensitivity of juvenile offender information. Specifically, a new exemption is added to the Public Records Act, prohibiting the disclosure of information shared in the notification process. Additionally, if a student commits a controlled substance violation, before school administrators share the information with staff, parents will have an opportunity to appeal the school administrator's decision. This appeal provision provides protection against the deleterious effect that notification may have on student-teacher relationships and the student's educational experience.

The new policy describes the updated requirements when a school receives notification of attendance by juvenile offenders. The revised policy and procedure, replaces Policy and Procedure 3144, Release of Information Concerning Student Sexual and Kidnapping, and Policy and Procedure 4314, Notification of Threats of Violence or Harm. The district will repeal the former policies and procedures.

Recommendation: That the Board of Directors conducts a first reading to adopt new Policy 3143, Notification and Dissemination of Information about Student Offenses and Notification of Threats of Violence or Harm

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 10, 2020 Board meeting for approval.

18. Recommendation to Conduct a First Reading to Repeal Policy 3144, Release of Information Concerning Student Sex and Kidnapping Offenders, in the 3000 Series, Students 18

Rationale: Attached is Policy 3144, Release of Information Concerning Student Sex and Kidnapping Offenders, which is presented to the Board for a first reading. The policy will be presented for a second reading and repeal at the November 10, 2020, regular meeting of the Board.

District staff, legal counsel, and the Board Committee of the Whole have reviewed the proposed policy for repeal.

The policy is proposed to be deleted because the language in this policy is now included in new Policy 3143, Notification and Dissemination of Information about Student Offenses and Notifications of Threats of Violence or Harm.

Recommendation: That the Board of Directors conducts a first reading to repeal Policy 3144, Release of Information Concerning Student Sex and Kidnapping Offenders.

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 10, 2020 Board meeting for approval.

19. Recommendation to Conduct a First Reading to Repeal Policy 4314, Notification of Threats of Violence or Harm, in the 4000 Series, Community Relations 19

Rationale: Attached is Policy 4314, Notification of Threats of Violence or Harm, which is presented to the Board for a first reading. The policy will be presented for a second reading and repeal at the November 10, 2020, regular meeting of the Board.

District staff, legal counsel, and the Board Committee of the Whole have reviewed the proposed policy for repeal.

The policy is proposed to be deleted because the language in this policy is now included in new Policy 3143, Notification and Dissemination of Information about Student Offenses and Notifications of Threats of Violence or Harm.

Recommendation: That the Board of Directors conducts a first reading to repeal Policy 4314, Notification of Threats of Violence or Harm

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 10, 2020 Board meeting for approval.

20. Recommendation to Approve an Agreement Amendment between the Vancouver School District and LSW Architects, P.C., Vancouver, Washington, for Architectural and Engineering Services 20

Rationale: On February 12, 2019, an Agreement for architectural and engineering services with the local architectural firm LSW Architects, P.C., Vancouver, Washington was approved for the Columbia River High School addition and renovation design. The project is part of the 2017 bond program.

The proposed Amendment is for services related to a 6-classroom addition to the project. The Amendment follows a decision to add the new classrooms rather than convert the existing Black Box into classrooms as initially planned. The new structure will have two levels. The classrooms will be on the main level and the lower level will include new restrooms, storage and additional concessions area to serve the stadium and field. After the design is complete, the GCCM contractor on site will provide pricing to be added to the construction contract. Attached is a copy of the design services contract Amendment.

Similar to other architectural and engineering contracts, there are two components, a basic services component in the amount of $709,410.00, and additional services for other items as needed in the amount of $411,485.00 for a total contract amount of $1,120,895.00. Attached is a copy of the design services contract Amendment.

Recommendation: That the Board of Directors approve an Agreement Amendment with LSW Architects, P.C., Vancouver, Washington, for architectural and engineering services for the design of a 6-classroom addition to

Columbia River High School in the amount of $1,120,895.00 and, authorize the Superintendent to execute the Amendment document.

Following discussion between members of the Board, and administration, it was moved by Director Decker, seconded by Director Sproul. President Smith, Director Decker, Director Sproul, Director Barrows and Director Banfield voted yea, and passed to approve Agreement Amendment between the Vancouver School District and LSW Architects, P.C., Vancouver, Washington, for Architectural and Engineering Services.

21. Recommendation to Approve an Agreement Amendment between the Vancouver School District and LSW Architects, P.C., Vancouver, Washington, for Architectural and Engineering Services 21

Rationale: On September 12, 2017, an Agreement for architectural and engineering services with the local architectural firm LSW Architects, P.C., Vancouver, Washington was approved for design services for McLoughlin Middle School and Marshall Elementary School.

The proposed Amendment is for services that extend beyond the original contract duration. At the time the contract was approved, it was anticipated that the project would be complete in August 2020. Following the project design phase, the contractor provided pricing and a schedule to construct the two new buildings. The construction for phase II will not be complete and closed out until March 2021. Per the contract amendment, the architect will continue to provide construction administration services and final close out activities through March 2021.

The contract Amendment services will be billed on a time and material basis not to exceed $219,840.00. A copy of the contract Amendment is attached.

Recommendation: That the Board of Directors approve an Agreement Amendment with LSW Architects, P.C., Vancouver, Washington, for architectural services for extended construction administration for McLoughlin and Marshall schools, in the not to exceed amount of $219,840.00 and, authorize the Superintendent to execute the Amendment document.

Following discussion between members of the Board, and administration, it was moved by Director Sproul, seconded by Director Decker. President Smith, Director Decker, Director Sproul, Director Barrows and Director Banfield voted yea, and passed to approve Agreement Amendment between the Vancouver School District and LSW Architects, P.C., Vancouver, Washington, for Architectural and Engineering Services.

22. Recommendation to Accept Change Order for Hazardous Materials Abatement at Lieser Campus 22

Rationale: On July 14, 2020 the Board Adopted Resolution No. 860 for Bid No.2020-047 to award to Inline Commercial Construction, Aloha, OR for the modernization/renovation of the “old” Marshall for the New Lieser Campus project.

As part of the pre-construction process, abatement sampling and testing results identified specific requirements for abatement of interior and exterior portions of the building where construction will occur.

In order to expedite the work and ensure close coordination with the abatement contractor, Inline Commercial Construction received multiple proposals for abatement. It is recommended to award the lowest bid to Laneco/GDSI.

The two proposals from Laneco/GDSI total $343,760.00. However, $57,343.00 was previously included within Inline Commercial Construction's original project scope. That amount has been deducted from Laneco/GDSI's proposal, leaving a remainder of $286,417.00.

Reviewed by the Committee as a Whole: Yes

Funding Source: Capital Projects Fund.

Recommendation: That the Board of Directors accept a Change Order for Inline Commercial Construction to use Laneco/GDSI for Hazardous Materials Abatement at Lieser Campus Project in the final amount of $286,417.00, plus Washington State Sales Tax.

Following discussion between members of the Board, and administration, it was moved by Director Banfield, seconded by Director Sproul. President Smith, Director Decker, Director Sproul, Director Barrows and Director Banfield voted yea, and passed to Accept Change Order for Hazardous Materials Abatement at Lieser Campus.
