2. Recommendation to Renew the Independent Contractor Agreement between the Vancouver Public Schools and Signing Resources & Interpreters, LLC. 174

Description: Signing Resources & Interpreters, LLC., is a licensed staffing agency in the business of providing qualified interpreters in American Sign Language, Sign Language Transliterating, Oral Transliteration, etc., services for deaf and hard of hearing students and parents.

Contracting for services with outside agencies is provided for by RCW 28A.320.035.

Vancouver Public Schools will pay Signing Resources & Interpreters hourly rates of $55.00 to $75.00 per hour for 1-1 American Sign Language Interpreter services and incidental interpreting for students and parents.

Rationale: That the needs of identified students can be met through the American Sign Language Interpreting services provided by Signing Resources & Interpreters, LLC., until such time as the positions can be permanently filled.

Reviewed by Superintendent Administrative Committee: Yes

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: State Special Education and Basic Education ADA funds. Approximate Annual Cost to District: $450,000

SPECIAL SERVICES 2017-18 CONTRACT

Background Information:

I. Name of Agency/District: Signing Resources & Interpreters, LLC.

Recommendation to Renew the Independent Contractor Agreement Between the Vancouver Public Schools and Signing Resources & Interpreters, LLC., for American Sign Language Interpreter services for the 2017-18 school year.

II. Renewal Contract: Yes

III. Previous number of years contracted with agency: 17

IV. Approximate Number of Students and Parents to be Served: 200

V. Approximate Annual Cost to District: $450,000

Vancouver Public Schools will pay Signing Resources & Interpreters, LLC., hourly rates of $55.00 to $75.00 per hour for American Sign Language Interpreter services.

VI. Services Provided:

1-1 American Sign Language Interpreter services and incidental interpreting for students and parents.

Recommendation: That the Board of Directors Renew the VPS Independent Contractor Agreement Between the Vancouver Public Schools and Signing Resources & Interpreters, LLC., for American Sign Language Interpreter services for the 2017-18 school year in the amount not to exceed $450,000, and authorize the president and secretary to execute the appropriate documents.

3. Recommendation to Renew the Itinerant Teacher Services Agreement Between the Vancouver Public Schools and the Washington State School for the Blind for the 2017-18 School Year 175

Description: This program will provide an Itinerant Teacher of the Visually Impaired for on-site consultation and/or direct services for district visually impaired students during the 2017-18 school year. In addition, the itinerant teacher will provide the following:

1. Training and technical assistance to district school personnel in regard to educational programming for visually impaired students.

2. Assistance in developing the student's IEP.

3. Ongoing specially designed instruction for vision as per IEP.

4. Maintain a record of the interventions and/or time spent with child and/or staff.

5. Liaison with VPS and Ogden Resource Center for resources in Braille and technology.

6. Clerical assistance.

Rationale: Since 1998, this service has allowed the district to serve visually impaired students through the services of an itinerant teacher with access to Washington State School for the Blind materials and equipment.

District legal counsel has reviewed this Agreement.

Reviewed by Superintendent's Administrative Committee: Yes

Evaluation: This contract will allow the district to serve approximately 34 visually impaired and totally blind students during the 2017-18 school year.

Vancouver Public Schools has monthly meetings with the Itinerant teacher of the Visually Impaired in order to ensure quality oversight of services received by our students.

Funding Source: State Special Education funds

SPECIAL SERVICES 2017-18 CONTRACT

BACKGROUND INFORMATION:

I. Name of Agency/District: Washington State School for the Blind

Recommendation to Renew the Itinerant Teacher Services Agreement Between the Vancouver Public Schools and the Washington State School for the Blind for the 2017-18 school year.

II. Renewal Contract : Yes

Previous number of years contracted with agency/district: 19

III. Approximate Number of Students to be Served: 40

IV. Approximate Annual Cost to District: $294,761.25 from State Special Education funds

V. Services Provided: On-site consultation and/or direct services for district visually impaired students during the 2017-18 school year, as directed by the IEP team; ongoing progress monitoring and monthly report of progress; and future planning for students within the district who have unique vision needs.

Recommendation: That the Board of Directors Renew the Itinerant Teacher Services Agreement Between the Vancouver Public Schools and the Washington State School for the Blind for the 2017-18 school year, in the amount not to exceed $294,761.25 and authorize the president and secretary to execute the appropriate documents.

4. Recommendation to Renew the Client Services Agreement, between the Vancouver Public Schools and Soliant Health, Inc. 176

Description: Soilant Health, Inc. is a licensed staffing agency in the business of providing staffing to the public and private education sector and is not a healthcare provider.

Contracting for services with outside agencies is provided for by RCW 28A.320.035.

Vancouver Public Schools will pay Soliant Health, Inc., an hourly rate of $90 per hour for services provided by licensed School Psychologists.

Rationale: That the needs of identified students can be met through the School Psychologist services provided by Soliant Health, Inc., until such time as the positions can be permanently filled.

Reviewed by Superintendent Administrative Committee: YES

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: State Special Education funds

SPECIAL SERVICES 2017-18 CONTRACT

Background Information:

I. Name of Agency/District: Soliant Health, Inc.

Recommendation to Renew the Client Services Agreement Between the Vancouver Public Schools and Soliant Health, Inc., for School Psychologists for the 2017-18 school year.

II. Renewal Contract: Yes

III. Previous number of years contracted with agency: 1

IV. Approximate Number of Students to be Served: 200

V. Approximate Annual Cost to District: $390,000

Vancouver Public Schools will pay Soliant Health, Inc., an hourly rate of $90 per hour for School Psychologists.

VI. Services Provided: School Psychologist services provided to VPS.

Recommendation: That the Board of Directors Renew the Client Services Agreement Between the Vancouver Public Schools and Soliant Health, Inc., in the estimated amount of $390,000, for School Psychologists for the 2017-18 school year, and authorize the president and secretary to execute the appropriate documents.

5. Recommendation to Adopt Resolution No. 781 Designating Certain District Employees to Contract on Behalf of the Board of Directors 177

Rationale: Vancouver School District (District) policies permit District personnel to act on behalf of the Board of Directors in dealing with the daily operational needs of the District. The Washington State Auditor's Office requires the Board of Directors, through Board resolution, to annually name those individual District employees who may enter into and sign contracts on behalf of the Board.

Resolution No. 781 revises the Board-appointed designees who may enter into and sign contracts for the District on behalf of the Board for the 2017-2018 school year.

Funding Source: N/A

Recommendation: That the Board of Directors adopt Resolution No. 781 which revises certain District employees to contract on behalf of the Board.

6. Recommendation to Approve Purchase Agreement 2017-030 - Garbage Truck 178

Rationale: The Vancouver School District (District) Facility Support Services utilizes a 1995 Mach garbage truck on a daily basis to collect garbage and deliver to the transfer station for all 41 sites. The current garbage truck was purchased in 1997 and is showing signs of use over the last 22 years it has been in service. We are experiencing increased maintenance costs and recurring issues that cause a loss of productivity due to down time for repairs.

In order to continue efficient operations at our schools, the purchase of a new Peterbilt Chassis and Leach Alpha III body, Garbage Truck for $196,769.00 plus applicable Washington State sales tax is recommended.

Award Tabulation: The District will utilize the National Joint Powers Alliance (NJPA) procurement program. General Equipment Company will be the contract agency. Unit prices, manufacturer models and specifications, and award-related comments are on file in the purchasing department.

Evaluation: Prior to researching replacement options, staff reviewed having our daily garbage service provided by Waste Connections. The District currently hauls 6-8 tons of garbage daily. Our fees are about $108,000 annually plus the cost of one employee at approximately $90,000 and $26,000 in fuel costs. An estimate to have this service provided by Waste Connections is $752,157.96 annually. The District saves approximately $500,000 annually by providing our own garbage collection and delivery to the transfer station.

Staff and mechanics from the Transportation Department researched options for the chassis and the dump box. The Peterbilt chassis was chosen for its durability including the Cummins engine and Allison transmission, maneuverability due to a cab-over design and safety features such as cameras and alarms that enhance the safety for children, staff and patrons. The Leach box was selected due to its heavy-duty construction and readily available parts due to local construction. In addition, Waste Connections utilizes the same box and has offered to loan parts if the need ever arises.

Vendor Recommendation: Based upon evaluations of dump boxes, staff recommends a purchase agreement be awarded to General Equipment Company for the purchase of one (1) Leach Alpha III with options at a cost of $70,264 plus Washington state sales tax.

Based upon evaluations of chassis, staff recommends a purchase agreement be awarded to General Equipment Company for the purchase of one (1) 2018 Peterbilt Model 520 at a cost of

$127,005 less trade-in value for the 1989 Ford 50 Model 346 C8000 of $500.00 for a total cost

$126,505.00 plus Washington state sales tax.

The purchase price will be partially offset by the trade in compensation of the 1989 Ford 50 Model 346 C8000 which is currently our back-up truck. General Equipment Company has offered $500.00 trade in value for the garbage truck with the intent to scrap the truc1‹. VPS staff has assessed the market value for scrap metal and determined that $500.00 is a fair price for scrap metal. In addition, General Equipment Company will be responsible for the environmental concerns for scrapping, to include draining and properly disposing of all fluids.

It is VPS staff determination that the Peterbilt Model 520 and Leach Alpha IH is the best chassis and box available to suit all our Facility Support Services needs.

Reviewed by Superintendent's Administrative Contracts Committee: YES

Funding Source: General Fund

Recommendation: That the Board of Directors approve a purchase agreement be awarded to General Equipment Company for the purchase of one (1) Peterbilt Model 520 and (1) Leach Alpha III base price of $194,429.00 plus $2,840 in options less $500.00 trade in for the old garbage truck for a total cost of $196,769 plus Washington state sales tax.

7. Recommendation to Approve Contract Extension No. 2014-001-4 – Custodial Work Management System and Custodial Products 179

Rationale: On June 24, 2014 the Board of Directors approved the award of Bid No. 2014-001 for the purchase of custodial supplies and access to a custodial work management software program. Under this contract the Vancouver School District (District) is granted access to the vendor's custodial work management software program for the purpose of improving custodial efficiency and labor cost reduction. The Hillyard Cleaning Cost Analysis Program (CCAP) allows District maintenance staff to generate reports on budgets, expenditures, labor management, and supplies consumed. The program also performs cost analyses for specific tasks and measures the level of facility cleanliness. The awarded vendor will also be required to provide all known and unknown custodial supplies and equipment required to fully utilize the custodial work management program. All products and equipment purchased under this contract will be ordered on-line, delivered directly to each ordering location, and paid for with District procurement cards. This recommendation constitutes the fourth year of a five-year contract for the purchase of custodial supplies and access to the vendor's custodial work management software program for the 2017-2018 school year.

Bid Tabulation: A vendor bid tabulation listing specific unit prices, software capabilities, performance of services, company profiles, terms offered, and award-related comments is on file in the purchasing department.

Cooperative Bid/Interlocal Agreement: Vancouver School District (District) has taken the lead to cooperatively bid the Hillyard Cleaning Cost Analysis Program (CCAP) and related cleaning supplies on behalf of other school districts and public agencies in Washington and Oregon in an attempt to generate a large dollar volume of purchases at the lowest unit costs available. This contract extension shall include the requirements of the Vancouver School District only. School districts and public agencies that choose to utilize this contract will be required to execute an Intergovernmental Cooperative Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of the awarded vendor during the third year of the contract in terms of access and upgrades to the Hillyard Cleaning Cost Analysis Program (CCAP) software, punctuality of supply deliveries, and vendor/employee relations. Walter E. Nelson Company has met all District requirements.

Vendor Recommendation: Based upon the committee's review of the performance of Walter E. Nelson Co., and a review of the custodial marketplace, staff recommends the option to extend the Hillyard Cleaning Cost Analysis Program (CCAP) and custodial supply contract for a fourth year pursuant to the terms and conditions awarded under Bid No. 2014-001. This recommendation shall include the purchase of custodial supplies for the 2017-2018 school year in the estimated amount of $456,000.00 plus Washington state sales tax.

Financial Evaluation: Walter E. Nelson Company and Hillyard offer the Hillyard Cleaning Cost Analysis Program (CCAP) to the District at no cost; however, the District has no ownership to the software and will be provided a user license for the duration of this contract. The District will also receive, on average, a 30% off discount for the purchase of all known general custodial cleaning supplies from Hillyard's list price and an average of 25% discount off the manufacturer's list price for various custodial supply products and equipment. Under the terms of the contract, the vendor is allowed to increase unit prices for custodial products on the anniversary date of the contract; however, the percentage discount awarded under the initial contract must remain firm. Based upon the pricing provided for the third year of the contract, there will be an approximate 5.0% increase for custodial products and equipment due to manufacturer price increases in the past year.

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: Purchase of custodial supplies and equipment under this contract will utilize funds contained in the General Fund.

Recommendation: That the Board of Directors approve the option to extend the current Hillyard Cleaning Cost Analysis Program (CCAP) and custodial supplies contract for a one-year period which shall constitute the fourth year of the five-year contract, pursuant to the terms and conditions awarded under Bid No. 2014-001 for the purchase of custodial supplies and equipment from Walter E. Nelson Co., in the estimated amount of $456,000.00 plus Washington state sales tax and authorize staff to adjust quantities to meet the actual requirements for the 2017-2018 school year.

8. Recommendation to Approve Declaration of Surplus Property – No. 2017-028 180

Rationale: Vancouver School District (District) has accumulated a variety of surplus property including textbooks, library books, kit materials, teacher materials, musical instruments, technology & computer equipment, furniture, vehicles, and maintenance equipment. Pursuant to RCW 28A.335.090, all school district property, real or personal, must be declared surplus by formal Board action prior to disposal. This recommendation shall include District personal property only. This recommendation shall be presented to the board on an annual basis and in effect for each fiscal year. An inventory listing surplus property by quantity, description and condition is on file in the purchasing department.

The surplus curriculum materials, text books, library books, and teacher material will be collected on a regular basis throughout the year and staged at the District's warehouse for final disposition. Surplus curriculum material will be offered to commercial book buyers and recyclers through the District bid process. Pursuant to RCW 28A.335.180, all curriculum textbooks and library books will be disposed of in accordance with Washington State regulations. Surplus or obsolete books or other reading materials shall be disposed of as follows:

A. If the reading materials are estimated to have value as reading materials in excess of $l,000, they shall be sold at public auction to the person submitting the highest reasonable bid following publication of notice of the auction in a newspaper with a general circulation in the District; or

B. If no reasonable bids are submitted or if the reading materials are estimated to have value as reading materials of $l,000 or less, the District may directly negotiate the sale of the reading materials to a public or private entity; or

C. If the reading materials are determined to have no value as reading materials or if no purchaser is found, the reading materials may be recycled or destroyed.

All other surplus property deemed obsolete and/or surplus to the District, to include furniture, technology and computer equipment, musical instruments, office and maintenance equipment, and vehicles, will be disposed of by sale or when a sale cannot be accomplished, in a manner deemed to be most economical or beneficial to the District. All known surplus personal property available at this time is on file in the purchasing department.

Revenue: Funds generated from the sale of surplus property will be deposited in the appropriate fund.

Fund Source: N/A

Recommendation: That the Board of Directors approve a declaration of surplus property covering curriculum materials, technology & computer equipment, musical instruments, furniture, vehicles, and maintenance equipment and authorize staff to complete final disposal pursuant to Washington state guidelines.

9. Recommendation for Payment of Bills 181

Vouchers audited and certified by the auditing officer as required by RCW 42.24.080 and expense reimbursement claims certified as required by RCW 42.24.090 have been recorded on a listing which has been made available to the Board.

Approve for payment those vouchers included in the listing and further described as follows:

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Gillespie, seconded by Director Fryer. President Giovannozzi, Director Stoker, Director Gillespie, Director Rice, and Director Fryer voted yea, and passed to approve the consent agenda items.

OTHER BUSINESS

10. Recommendation to Approve a Delegated Lease Agreement with Clark College 182

Rationale: In 2016 the school district and Clark College entered into a lease agreement for the district to use space within the Clark Center facility on the Washington State University Vancouver campus. The space is used for the district's grades 9-12 iTech Preparatory Program. The term of the current lease runs until June 30, 2018.

A new iTech Preparatory facility will be constructed on the Washington State University Vancouver campus as part of the district's bond program. The new school is scheduled to start construction in the Spring of 2018 and ready for students to occupy in December 2019. In order to accommodate the construction schedule, a new lease for use of the Clark Center facility is required through December 2019. Clark College has consented to extend the lease.

Financial Evaluation: The district will continue to occupy 10,317.5 square feet of dedicated classroom space and related shared common areas. The rent is based on a formula that utilizes a reduced market rate calculation in consideration of the interagency collaboration. The annual rent amounts and rates for the new term of the lease are: Year one, July 1 2018-June 30 2019, $101,519.28 or $8459.94/month (an increase of $2,476 per year from 2017-2018); Year two (6 months) July 1, 2018-December 31, 2019, $51,997.69, or $8,666.28/month.

Funding Source: General Fund

Reviewed by the Superintendent's Administrative Committee: Yes

Recommendation: That the Board of Directors approve the Delegated Lease Agreement with Clark College for the district's use of space for iTech Preparatory in the Clark Center facility located on the Washington State University Vancouver Campus, from July 1, 2018 through December 31, 2019 and that the board authorize the Superintendent to execute the lease agreement.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Gillespie, seconded by Director Stoker. President Giovannozzi, Director Rice, Director Fryer, Director Stoker and Director Gillespie voted yea to approve a delegated lease agreement with Clark College.

11. Recommendation to Approve an Agreement between the Vancouver School District and LSW Architects, P.C., Vancouver, Washington, for Architectural and Engineering Services 183

Rationale: An Agreement for architectural and engineering services with the local architectural firm of LSW Architects, P.C., Vancouver, Washington is recommended for the design of Peter S. Ogden replacement school. The replacement of Peter S. Ogden is a 2017 bond approved project.

The proposed Agreement contains the terms and conditions for architectural and engineering services for the design and preparation of permit, bid and construction documents. In general, the scope of work includes the design for a new facility located on the current Ogden site. The new school will house approximately 640 students. The existing school will remain in operation during the construction of the new school.

Attached is a copy of the proposed personal service contract agreement that includes the detailed scope of work. Legal Counsel has reviewed the Agreement.

Reviewed by Superintendent's Administrative Contracts Committee: Yes.

Funding Source: Capital Projects Fund, bond proceeds.

Recommendation: That the Board of Directors approve an Agreement with the firm of LSW Architects, P.C., Vancouver, Washington, for architectural, engineering and other related services for the design of Peter S. Ogden replacement school in the amount of $2,407,809 for Basic Services and $1,163,550 for Additional Services as required for a total amount of $3,571,359 and, authorize the president and secretary to execute the agreement document.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Rice, seconded by Director Fryer. President Giovannozzi, Director Rice, Director Fryer, and Director Gillespie voted yea to approve the agreement with the firm of LSW Architects, P.C., Vancouver, Washington, for architectural, engineering and other related services for the design of Peter S. Ogden replacement school in the amount of $2,407,809 for Basic Services and $1,163,550 for Additional Services as required for a total amount of $3,571,359 and, authorize the president and secretary to execute the agreement document. Director Stoker sustained from voting due to possible conflict of interest.

12. Recommendation to Approve an Agreement between the Vancouver School District and Parametrix Inc., Tacoma, Washington for GC/CM Advisor Services 184

Rationale: An Agreement for General Contractor Construction Management (GCCM) Advisor Services with the consulting firm of Parametrix, Inc., Tacoma, Washington is recommended for the Mcloughlin/Marshall/Lieser bond project. The district anticipates selecting a general contractor/construction manager for the construction of the school through the State approved Alternative Project Delivery method. The GC/CM advisor will act as the district's representative during the general contractor selection and contract negotiation process. After the general contractor is selected, the GC/CM advisor will assist the design team with preconstruction activities leading to final construction pricing by the general contractor.

District legal counsel prepared a Project Management Master Agreement for GC/CM Advisor services. The Agreement covers advisor and preconstruction services and includes provisions for additional project management and/or construction management services by addendum should the district choose to include those services at a later time.

Attached is a copy of the proposed personal service contract agreement.

Reviewed by Superintendent's Administrative Contracts Committee: Yes.

Funding Source: Capital Projects Fund

Recommendation: That the Board of Directors approve an Agreement with the consulting firm of Parametrix, Inc., Tacoma, Washington, for General Contractor/Construction Manager Advisor and Pre-design services for the Mcloughlin Middle School, Marshall Elementary School and Lieser School projects in the amount of $176,625 and, authorize the Superintendent to execute the Agreement document.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Gillespie, seconded by Director Stoker. President Giovannozzi, Director Rice, Director Fryer, Director Stoker, and Director Gillespie voted yea to approve the agreement between Vancouver School District and Parametrix Inc., Tacoma, Washington for GC/CM advisor services.

13. Recommendation to Award Bid No. 2017-014 for Sidewalk Repair and Tree Replacement at Various Locations 185

Rationale: On July 20, 2017, one (1) bid was received and opened for sidewalk repairs at Chinook elementary school, Alki middle school and Roosevelt elementary school. Advanced Excavation Specialists, Longview WA., submitted the bid. The project includes removing and replacing broken and raised sidewalks adjacent to student drop off/pick areas. The existing sidewalk trees that caused the surrounding sidewalks to crack will also be removed. New appropriate trees will be planted, under a separate landscape bid, following the concrete replacement. The project is part of the capital improvement (bond) program.

The project bid included a base bid for all three schools plus an additive alternate for additional sidewalk replacement between Chinook and Alki schools. It is recommended that the alternate scope of work be accepted in addition to the bsae bid. A copy of the bid results is attached.

District staff and the project consultant have reviewed the bid proposal and determined that the district received a responsive bid and the contractor is qualified to perform the work.

Reviewed by the Superintendent's Administrative Contract Committee: Yes

Funding Source: Capital Projects Fund.

Recommendation: That the District Board of Directors award Bid No. 2017-014 to Advanced Excavation Specialists, Longview, WA., for sidewalk repair and tree replacement at various locations in the base bid amount of $175,200.00 plus Washington State sales tax, and Alternate Bid No. 1 in the amount of $34,700.00 plus Washington State sales tax, for a a total amount of $209,900.00 plus Washington State sales tax, and authorize the president and secretary to execute the appropriate contract documents.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Stoker, seconded by Director Fryer. President Giovannozzi, Director Rice, Director Fryer, Director Stoker, and Director Gillespie voted yea to approve the award of bid No. 2017-014 for sidewalk repair and tree replacement at various locations.

14. Recommendation to Award Bid No. 2017-025 for the Discovery Middle School and Felida Elementary School Roof Overlay Project 186

Rationale: On July 26, 2017, five (5) bids were received and opened for roof overlay projects at the Discovery gymnasium and the Felida classroom area. The project includes the necessary material, and labor to repair water damaged roof insulation and overlay older roof areas with new roofing material. Five bids were received for the project. Weatherguard, Inc Longview, WA submitted the lowest qualified bid. The bid tabulation is attached.

District staff and project consultants have reviewed the bid proposals and are recommending that a contract be awarded to Weatherguard Inc., Longview, WA 98632.

Reviewed by the Superintendent's Administrative Contract Committee: Yes

Funding Source: General Fund.

Recommendation: That the District Board of Directors award Bid No. 2017-025 to Weatherguard Inc., Longview, WA 98632, for the Discovery Middle School gymnasium roof overlay in the base bid mount of $113,100.00 plus Washington State sales tax and Felida Elementary school classroom area roof overlay in the base bid amount of $178,380.00 plus Washington State sales tax, for a total bid award of $291,480.00, and authorize the president and secretary to execute the appropriate contract document.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Gillespie, seconded by Director Fryer. President Giovannozzi, Director Rice, Director Fryer, Director Stoker, and Director Gillespie voted yea to approve award of bid No. 2017-025 for the Discovery Middle School and Felida Elementary School roof overlay project.

15. Recommendation to Approve Purchasing Agreement No. 2017-021 – Dept of Commerce Grant 187

Rationale: To meet the needs of the Vancouver School District (District) maintenance department for the 2017-2018 school year, the District will replace twelve (12) low efficiency boilers, one (1) low efficiency chiller and, five (5) Direct Digital Control (DDC) systems. The four (4) boilers recommended for purchase and install will replace the (12) existing boilers. A current chiller and five (5) DDC systems will also be replaced. The District will utilize an interagency agreement offered by the Department of Enterprise Services (DES), which is available to all school districts within Washington State.

Technical Evaluation: A comprehensive review of building systems was completed by Abacus over the past 9 months. The evaluation indicated HVAC system improvements that qualified for the energy grant offered via iGrants. In addition, the district had identified the same HVAC units in need of replacement for the bond. The DES agreement allows for the district to directly contract with a DES approved energy services company. Services and products offered by Abacus via DES meet all State and District specifications and are recommended for award.

Reviewed by Superintendent's Administrative Contracts Committee: YES

Funding Source: Purchase of the HVAC equipment and labor to install will be $1,136,500. Funds utilized to pay for equipment and labor will come from iGrant, $284,125; utility incentives, $168,416.20; bond funds, $620,000; general maintenance funds from previous energy incentives, $63,958.80

Recommendation: That the Board of Directors award a purchase agreement to meet District maintenance needs to Department of Energy Services in the amount of $1,136,500 which includes Washington state sales tax.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Rice, seconded by Director Gillespie. President Giovannozzi, Director Rice, Director Fryer, Director Stoker, and Director Gillespie voted yea to approve purchasing agreement No. 2017-021 – Dept of Commerce Grant.

16. Recommendation to Approve Purchase Agreement No. 2017-024 188

Rationale: In support of the Vancouver School District's (District) Design II and CTE's Strategic Plan to keep all equipment up-to-date with industry standard equipment this purchase will replace existing computers that are out of date and beyond their depreciation life.

Award Tabulation: The District will utilize the US Communities IT Products and Services #4400006644 to purchase these new CPU's. This order will be paid out of funds from 2017-2018 school year plus applicable Washington state sales tax.

Equipment Evaluation: After input from both ITS and our Video Production Industry Advisory team's evaluation of options the Customized HP z240 Tower Workstation w/Windows Home 64 best fits the needs of the district as we move forward with continuing to provide student's within the CTE program industry standard educational opportunities.

Vendor/Itemized Recommendation: Based upon the committee's review and evaluation of the Insight Public Sector price quote, staff recommends a purchase agreement be awarded to Insight Public Sector for the purchase of 126 Customized HP z240 Tower Workstation w/Windows Home 64 for a total amount of $209,468.67 plus applicable Washington state sales tax. Insight Public Sector met all district requirements.

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: Purchase of the CPU's will utilize funds contained in the CTE General Fund for the 2017-2018 school year.

Recommendation: That the Board of Directors approve the purchase of 126 Customized HP z240 Tower Workstation w/Windows Home 64 in the amount of $206,279.71 plus applicable Washington state sales tax to be paid for out of both the 2016-2017 and 2017-2018 school year budgets as outlined to meet the industry standard computing needs for the district's staff and students within CTE.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Stoker, seconded by Director Gillespie. President Giovannozzi, Director Rice, Director Fryer, Director Stoker, and Director Gillespie voted yea to approve purchase agreement No. 2017-024.
