Rogers, Cassidy	Sacajawea Paraeducator	08/29/18

7) Employment of Classified Personnel (con't.)

Name	Location/Assignment	Beginning
Salanoa, Tasi	McLoughlin Program Site Specialist (Temporary)	08/29/18

Recommendation: That the employment of the above-listed personnel be approved as listed in accordance with the conditions and hourly wages as stipulated in the negotiated agreement for the classification for the school year indicated.

8) Request(s) for Leave of Absence Without Pay, Classified Personnel

Name	Assignment	Reason	To Begin	To End
Antisdel, Roger	Fruit Valley Custodial Assistant	Health	09/28/18	10/10/18

Recommendation: That the request(s) for leave of absence without pay for the above-listed personnel be approved.

9) Revised Request(s) for Leave of Absence Without Pay, Classified Personnel

Name	Assignment	Reason	To Begin	To End
Fowler, Phyllis	Roosevelt Cafeteria Assistant	Health	11/01/17	06/13/19
Koriani Baptist	Hudson's Bay Clerk	Family	05/23/18	06/21/19
Lindsey, Jamie	Fruit Valley Cafeteria Assistant	Health	05/24/18	09/28/18
Morrison, Gary	Maintenance Carpenter	Health	02/02/18	09/28/18

Recommendation: That the revised request(s) for leave of absence without pay for the above-listed personnel be approved.

10) Rescission(s) of Request for Leave of Absence Without Pay, Classified Personnel

Name	Assignment	Reason	To Begin	To End
Milam, Sabrina	Fort Clerk	Family	09/01/18	06/21/19

Recommendation: That the request(s) from the above listed personnel for leave of absence without pay for the time specified be rescinded.

11) Classified Personnel Information

Name	Assignment	V.S.D. Service Years	Last Day of Employment
Blunt, David	Fort Vancouver Custodial Assistant	8.4	08/20/18

Recommendation: Due to his/her death, the removal from the employment roster is acknowledged.

12) General Rehire List, 2018-2019 – Certificated Personnel

In accordance with the statutes of the state of Washington, the administration recommends to the board of directors of Vancouver School District No. 37 rehire of the currently employed certificated staff for the 2018-2019 school year. After adoption of the 2018-2019 salary schedule, appropriate placement of the individuals will be made contingent upon training and experience, as well as other guidelines approved in the adoption of such schedules. The term of service will be in accordance with the duty days established for each position.

13) General Rehire List, 2018-2019 – Classified Personnel

In accordance with the statutes of the state of Washington, the administration recommends to the board of directors of Vancouver School District No. 37 rehire of the currently employed classified staff for the 2018-2019 school year.

2. Recommendation to Approve State Board of Education Minimum Basic Education Compliance for 2018-19 149

The District is required to submit to the State Board of Education verification of compliance on a variety of WACs, including Instructional Hour Offering Grades 1-12, Instructional Hour Offering Kindergarten, Minimum 180-Day School Year for Grades 1 and above, Minimum 180-Day School Year for Kindergarten, and State High School Graduation Minimum Requirements.

Rationale: This recommendation places the Vancouver School District in compliance with the revised minimum Basic Education requirements as adopted by the Washington State Board of Education. The compliance report is now required to be submitted by the iGrants system with Board Chairman signature.

Members of the Superintendent's Administrative Teaching and Learning Committee have reviewed the documentation at the August 16, 2018 meeting.

Funding Source: Not applicable

Recommendation: That the Board of Directors approve State Board of Education Minimum Basic Education Requirement Compliance 2018-2019 and authorize the president and secretary to execute the appropriate documents.

3. Recommendation to Approve the Contract for Professional Services, between the Vancouver Public Schools and Avail Home Health, Inc., for Nursing Services for One (1) VPS Student 150

Description: Avail Home Health, Inc., will provide one health care professional who will provide one-to-one nursing services for a physically and/or mentally disabled VPS student.
Vancouver Public Schools will pay Avail Home Health, Inc., an hourly rate of $53.50 per hour for services provided by an RN or LPN.

Rationale: The IEP team has determined that this student needs specialized nursing services.

Reviewed by Superintendent Administrative Committee: YES

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: State Special Education funds

Recommendation: That the Board of Directors Approve the Contract for Professional Services Between the Vancouver Public Schools and Avail Home Health, Inc., for one-to-one nursing services for one (1) students for the 2018-19 school year in the estimated amount of $85,000, and authorize the president and secretary to execute the appropriate documents.

SPECIAL SERVICES 2018-19 CONTRACT
Background Information:
Name of Agency/District: Avail Home Health, Inc.

Recommendation to Approve the Contract for Professional Services Between the Vancouver Public Schools and Avail Home Health, Inc., for nursing services for one (1) student for the 2018-19 school year.

Renewal Contract: No
Previous number of years contracted with agency: 0
Approximate Number of Students to be Served: 1
Approximate Annual Cost to District: $85,000
Vancouver Public Schools will pay Avail Home Health, Inc., an hourly rate of $53.50 per hour for services provided by an RN or LPN.
Services Provided:
One-to-one nursing services for physically and/or mentally disabled VPS student.

4. Recommendation to Renew the Interlocal Agreement Between the Vancouver School District No. 37 and Educational Service District 112 for Special Education Services to Children Birth Through 2 Years With Disabilities for the 2018-19 School Year 151

Rationale: This program provides early education, instructional or specialized services to disabled students birth through two years of age for the 2018-19 school year. Services to the birth through two population are mandatory in the State of Washington. Vancouver School District (VSD) and Educational Service District 112 (ESD) are entering into this agreement in accordance with RCW 39.34.030 to provide services for each other. The ESD will provide special education program for children age birth though two with disabilities.

ESD will provide the following services to the VSD:

1. Submit a monthly student count of eligible disabled students for VSD.
2. Maintain current student eligibility files, which include summary reports, team reports, IFSP and IEP.
3. Complete evaluation and provide assessment to determine eligibility as per IDEA part C and WAC 392-172A.
4. Provide program services as designated on the student's IFSP or IEP.

Vancouver School District will pay ESD costs to operate special education programs for children ages birth through two with disabilities under this Agreement an amount which equals the actual special education revenue (4121) allocation for students served and reported on P223H by the ESD. The District shall not retain more than 5% of the current revenue (4121) as generated by the count (P223H), for services provided under this Agreement. The cost will be adjusted for each student that transitions to VSD special education three-to-five year old program during the month.

Reviewed by Superintendent Administrative Committee: YES

Evaluation: This contract will allow the district to serve birth through two years children with disabilities during the 2018-19 school year. ESD provides a quality program that successfully meets the needs of these children and their parents. VSD and ESD have an excellent relationship and consult on the students and families as needed.

Funding Source: State Special Education funds

Recommendation: That the Board of Directors Renew the Interlocal Agreement for Special Education Services for Children Birth Through 2 Years with Disabilities for the 2018-19 school year in the estimated amount of $968,806.00, and authorize the Superintendent to execute the appropriate documents.

SPECIAL SERVICES 2018-19 CONTRACT

BACKGROUND INFORMATION

Name of Agency/District: Educational Service District 112

Recommendation to Renew the Interlocal Agreement Between the Vancouver School District No. 37 and Educational Service District 112 for Special Education Services for Children Birth Through 2 Years with Disabilities for the 2018-19 School Year

Renewal Contract : Yes

Previous number of years contracted with agency/district: 7

Approximate Number of students to be served: 105

Approximate Annual Cost to District: $968,806.00

Vancouver School District will pay ESD costs to operate special education programs for children ages birth through two with disabilities under this Agreement which equals the actual special education (4121) allocation for students serviced and reported on P223H by the ESD. The cost will be adjusted for each student that transitions to VSD special education three-to-five year old program during the month.

Services Provided:

ESD will provide early education, instructional or specialized services to disabled students birth through two years of age for the 2018-19 school year.

5. Recommendation to Renew Intergovernmental Agreement Between the Vancouver Public Schools and Multnomah Education Service District (MESD) for two (2) VPS students to attend Wheatley School 152

Description: MESD shall provide two (2) Functional Living Skills Alternative Behavior Programs for two (2) VPS students at Wheatley School. Multnomah Education Service District is an educational cooperative that provides a wide variety of programs and services on a regional basis to school districts.

Vancouver Public Schools will pay MESD $238,356.80 ($108,344 plus 10% administrative fee for a total of $119,178.40 per student). MESD will submit monthly invoices to VPS for services rendered.

Rationale: The IEP teams determined that these students needed a specialized program for functional living skills and behaviorally disordered students. VPS does not have a specialized therapeutic program for students with significant mental health issues.

Reviewed by Superintendent Administrative Committee: YES

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: State Special Education Funds

Recommendation: That the Board of Directors Renew the Intergovernmental Agreement Between Vancouver Public Schools and Multnomah Education Service District Wheatley School for two (2) students to attend the 2018-19 school year an amount of $238,356.80, and authorize the Superintendent to execute the appropriate documents.

SPECIAL SERVICES 2018-19 CONTRACT
Background Information:

Name of Agency/District: Multnomah Education Service District
Recommendation to Renew the Intergovernmental Agreement for two (2) VPS students to attend MESD Wheatley School for the 2018-19 school year.
Renewal Contract: Yes
Approximate Number of Students to be Served: 2
Approximate Annual Cost to District: $238,356.80 ($108,344 plus 10% administrative fee for a total of $119,178.40 per student). MESD will submit monthly invoices to VPS for services rendered.
Services Provided:
MESD shall provide services to two (2) VPS students with Individualized Educational Programs (IEP) in the Functional Living Skills Alternative Behavior Program as determined to be appropriate by the IEP team including:
Student assessment, development and implementation of an IEP, Related Services, Behavior and Transition Plans (as included in the IEP).

6. Recommendation to Renew the Independent Contractor Agreement between the Vancouver Public Schools and Signing Resources & Interpreters, LLC. 153

Description: Signing Resources & Interpreters, LLC., is a licensed staffing agency in the business of providing qualified interpreters in American Sign Language, Sign Language Transliterating, Oral Transliteration, etc., services for deaf and hard of hearing students and parents.

Contracting for services with outside agencies is provided for by RCW 28A.320.035.

Vancouver Public Schools will pay Signing Resources & Interpreters hourly rates of $55.00 to $75.00 per hour for 1-1 American Sign Language Interpreter services and incidental interpreting for students and parents. Approximate Annual Cost to District: $300,000.

Rationale: That the needs of identified students can be met through the American Sign Language Interpreting services provided by Signing Resources & Interpreters, LLC., until such time as the positions can be permanently filled.

Reviewed by Superintendent Administrative Committee: Yes

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: State Special Education and Basic Education ADA funds.

Recommendation: That the Board of Directors Renew the VPS Independent Contractor Agreement Between the Vancouver Public Schools and Signing Resources & Interpreters, LLC., for American Sign Language Interpreter services for the 2018-19 school year in the amount not to exceed $300,000, and authorize the president and secretary to execute the appropriate documents.

SPECIAL SERVICES 2018-19 CONTRACT
Background Information:

Name of Agency/District: Signing Resources & Interpreters, LLC.

Previous number of years contracted with agency: 18
Approximate Number of Students and Parents to be Served: 200
Approximate Annual Cost to District: $300,000
Vancouver Public Schools will pay Signing Resources & Interpreters, LLC., hourly rates of $55.00 to $75.00 per hour for American Sign Language Interpreter services.
Services Provided:
1-1 American Sign Language Interpreter services and incidental interpreting for students and parents.

7. Recommendation to Renew the Client Services Agreement, between the Vancouver Public Schools and Soliant Health, Inc. 154

Description: Soilant Health, Inc. is a licensed staffing agency in the business of providing staffing to the public and private education sector and is not a healthcare provider.
Contracting for services with outside agencies is provided for by RCW 28A.320.035.
Vancouver Public Schools will pay Soliant Health, Inc., an hourly rate of $90 to $100 per hour for services provided by licensed School Psychologists.

Rationale: That the needs of identified students can be met through the School Psychologist services provided by Soliant Health, Inc., until such time as the positions can be permanently filled.

Reviewed by Superintendent Administrative Committee: YES

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: State Special Education funds

Recommendation: That the Board of Directors Renew the Client Services Agreement Between the Vancouver Public Schools and Soliant Health, Inc., in the estimated amount of $300,000, for School Psychologists for the 2018-19 school year, and authorize the president and secretary to execute the appropriate documents.

SPECIAL SERVICES 2018-19 CONTRACT
Background Information:
Name of Agency/District: Soliant Health, Inc.
Recommendation to Renew the Client Services Agreement between the Vancouver Public Schools and Soliant Health, Inc., for School Psychologists for the 2018-19 school year.
Renewal Contract: Yes
Previous number of years contracted with agency: 2
Approximate Number of Students to be Served: 200
Approximate Annual Cost to District: $300,000
Vancouver Public Schools will pay Soliant Health, Inc., an hourly rate of $90 to $100 per hour for School Psychologists.
Services Provided:
School Psychologist services provided to VPS.

8. Recommendation to Renew ThinkCERCA Platform Subscription for the 2018-2019 School Year
Resolution No. 800 is presented to the Board of Directors for adoption 155

Rationale: ThinkCERCA provides a robust adaptive platform of content area learning materials used to develop Close Reading and Argumentative Writing capacity for secondary students. This resource promotes student learning in Washington State Learning Standards for English/Language Arts, science and social studies. During the 2018/2019 this platform will be used as a core instructional resource in middle school English classes to develop college readiness and student achievement. These materials provide a variety of scaffolds to supporting differentiated instruction (both below and above level) to increase student success as well as a dashboard for teachers and support staff to ensure effective monitoring of progress. The cost of the courseware is $155,320 plus applicable sales tax.

Reviewed by the Superintendent's Administrative Committee: Yes

Funding Source: General Fund - Basic Education

Recommendation: That the Board of Directors approve the ThinkCERCA Platform Subscription for the 2018-2019 school year as a core instructional resource for middle school English classes.

9. Recommendation to Renew and Expand NewsELA to Support All Content Areas Grades 3-12
Resolution No. 800 is presented to the Board of Directors for adoption 156

Rationale: NewsELA provides a robust offering of leveled news articles, works of fiction, and high-level engagement reading materials for all students in third through twelfth grades.
NewsELA supports our standards-based instruction and assessment work through student access by varying search options, such as Common Core Standard, theme, grade level, and lexile level. Teachers are able to assign individual students certain reading levels, as to make sure that all students have the opportunity to show growth in the appropriate grade level standards. NewsELA can be utilized to support all core areas of curriculum: English, Social Studies, Math, and Science.

This online platform has been evaluated extensively by the Curriculum and Instruction team, the Instructional Facilitators Team and piloted at iTech, Hazel Dell, and Hudson's Bay.

The cost of this platform expansion is $128,500 plus applicable sales tax.

Funding Source: General Fund - Basic Education

Recommendation: That the Board of Directors approve the district-wide NewsELA platform subscription for the 2018-19 school year.

10. Recommendation to Approve Contract Extension No. 2016-026-3 – Network Management Software 157

Rationale: On August 23, 2016 the Board of Directors approved the award of Invitation to Bid #2016-026 for the purchase of Novell network management software products to support the Vancouver School District's (District) network. The suite of Novell software products provides access control management of all shared data resources; including e-mail, internet, and home directories. The District's current suite of Novell software products includes: Novell Cluster Services School License; Novell Storage Manager School Licenses; Novell Identity Manager Standard Edition and Integration Module for Database school licenses; Open Enterprise Server to include ZENworks Configuration Management, Groupwise, and Border Manager school license; Novell Identify Manager integration module for Googleapps; and ZENworks Patch Management Subscription for Windows. This recommendation is the third year of a five year contract for Novell software products.

Bid Tabulation: A vendor bid tabulation listing specific unit prices, terms offered by each bidder, and award-related comments are on file in the purchasing department.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of Novacoast Inc. in terms of software product performance and support services for the first year of the contract and Novacoast met all District requirements

Vendor Recommendation: Based upon the committee's review of the performance of Novacoast Inc., staff recommends the option to extend the Novell software contract to Novacoast Inc. for a third year pursuant to the terms and conditions awarded under Bid No. 2016-026. This extension shall include the purchase of Novell software in the amount $167,663.64 for the 2018-2019 school year.

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: General Fund Budget.

Recommendation: That the Board of Directors approve the option to extend the current Novell software contract for a one-year period which shall be the third year of the contract pursuant to the terms and conditions awarded under Bid No. 2016-026 for the purchase of Novell software products to Novacoast, Inc. in the amount of $167,663.64 plus Washington state sales tax and further authorize staff to purchase additional software and/or services to meet District needs throughout the 2018-2019 school year.

11. Recommendation to Adopt Resolution No. 802 to approve the Truman Elementary School Value Engineering Report 158

Rationale: In accordance with WAC 392-343-080 and WAC 392-344-065, a Value Engineering (VE) analysis and report have been completed for Truman Elementary School.

Conducting a VE analysis is a requirement to receive state assistance for the construction project. An independent firm to review the replacement school design for construction cost efficiencies conducted the analysis. Based on the VE analysis recommendations, modifications to the project have been made in order to incorporate approximately $4,066,700 in construction cost savings. A summary of the VE report with recommended items is attached.

Reviewed by the Superintendent's Administrative Committee: Yes

Funding Source: Not applicable

Recommendation: That the Board of Directors Adopt Resolution No. 802 accepting the Truman Elementary School Value Engineering Report.

12. Recommendation to Adopt Resolution 804 159

804- SCHOOL DISTRICT, NO. 37, CLARK COUNTY, WASHINGTON, CALLING FOR THE SUSPENSION OF ALL POLICIES, RULES, AND/OR REGULATIONS IN THE EVENT OF A STRIKE OR WORK STOPPAGE.

Recommendation: That the Board of Directors approve adoption of resolutions 804

13. Recommendation to Adopt Resolution 805 160

805- A RESOLUTION OF THE BOARD OF DIRECTORS OF VANCOUVER SCHOOL DISTRICT NO. 37, CLARK COUNTY, WASHINGTON, LIMITING ACCESS TO PUBLIC SCHOOL GROUNDS DURING THE WORK STOPPAGE.

Recommendation: That the Board of Directors approve adoption of resolutions 805

14. Recommendation to Adopt Resolution 806 161

806- A RESOLUTION OF THE BOARD OF DIRECTORS OF VANCOUVER SCHOOL DISTRICT NO. 37, CLARK COUNTY, WASHINGTON, AUTHORIZING THE SUPERINTENDENT TO TAKE LEGAL STEPS NECESSARY TO TERMINATE A STRIKE.

Recommendation: That the Board of Directors approve adoption of resolutions 806

15. Recommendation to Adopt Resolution 807 162

807- A RESOLUTION OF THE BOARD OF DIRECTORS OF VANCOUVER SCHOOL DISTRICT NO. 37, CLARK COUNTY, WASHINGTON, SUSPENDING LEAVE POLICIES DURING A STRIKE.

Recommendation: That the Board of Directors approve adoption of resolutions 807

16. Recommendation to Adopt Resolution 808 163

808- A RESOLUTION OF THE BOARD OF DIRECTORS OF VANCOUVER SCHOOL DISTRICT NO.37, CLARK COUNTY, WASHINGTON, AUTHORIZING THE SUPERINTENDENT OR DESIGNEE TO CLOSE ANY SCHOOL FACILITY.

Recommendation: That the Board of Directors approve adoption of resolutions 808

17. Recommendation to Adopt Resolution 809 164

809- A RESOLUTION OF THE BOARD OF DIRECTORS OF VANCOUVER SCHOOL DISTRICT NO. 37, CLARK COUNTY, WASHINGTON, AUTHORIZING SUSPENDING COMPENSATION AND DISTRICT PAID INSURANCE PREMIUMS DURING ANY STRIKE

Recommendation: That the Board of Directors approve adoption of resolutions 809

18. Recommendation to Approve Purchase Agreement No. 2018-047 – Copy Machine Maintenance and Repair Services 165

Rationale: The model for copy machine maintenance and repair for the Vancouver School District (District) in the past has been for the Maintenance department to receive a work request from a school or department and then send a trained technician to make the repairs. In 2017, this procedure was changed to a maintenance contract with trained copier maintenance technicians from Pacific Office Automation.

When the model of training Maintenance staff to repair copiers started, the machines were only copiers and were quick service calls to repair. Today's copiers are copiers, fax machines, printers, and scanners. They are sophisticated computers with a multi-function platform that requires training and certification from the manufacturer in order to repair and not void any warranties.

Contract Period: Staff recommends a contract be awarded for the 2018-19 school year with the option to renew the contract for additional one-year periods as needed. Staff will evaluate the vendor's performance at the end of each contract period and will recommend a contract renewal for each additional one-year contract period. In all cases, the Board of Directors shall approve a separate award for each contract period. This recommendation constitutes the second year for the purchase of copy machine maintenance and repair services to meet District requirements for the 2018-2019 school year.

Technical Evaluation: The District leases all copiers from Pacific Office Automation and has used them for back-up on repairs at a time and material cost as needed. Their response time and ability to service and repair District copiers has been excellent. Pacific Office Automation has staff assigned to the Vancouver area who are familiar with our schools and responsive to our needs. In addition, Pacific Office Automation utilizes US Communities pricing along with a level of service to maintain District copy machines and meets the requirements of the District. Pacific Office Automation is recommended for award.

Vendor/Itemized Recommendation: Based upon the committee's review and evaluation of the US Communities contract, staff recommends the maintenance contract be awarded to Pacific Office Automation for copy machine maintenance and repair services in the amount of $140,000.00 plus Washington state sales tax. Pacific Office Automation met all District requirements.

Financial Evaluation: A copy machine maintenance program with Pacific Office Automation would include all toner, saving that cost to the District. Utilizing the US Communities contract, the District would pay $0.0041 to $0.008 per copy based on the machine. Across the District, there are 97 copiers of varying ages with an annual usage of approximately 74,000,000 copies, creating an annual expense of approximately $140,000.

Reviewed by the Superintendent's Administrative Contracts Committee: YES

Funding Source: General Fund.

Recommendation: That the Board of Directors approve an award for the purchase of copy machine maintenance and repair services to Pacific Office Automation in the annual amount of $140,000.00 plus Washington state sales tax for a one-year contract period with the option to extend for additional years and further authorize staff to adjust copy machine maintenance and repair services to meet the actual requirements of the District at the unit costs and terms of the US Communities contract.

19. Recommendation to Approve Annual Renewal of Insurance Coverages 166

Rationale: The district has been a member of Schools Insurance Association of Washington (SIAW) for the past 16 years. SIAW is a member-owned and directed property and liability risk insurance pooling program for Washington school districts. An eight-member board of directors elected by the members governs the program. SIAW contracts with Clear Risk Solutions for the day-to-day administration of the program. SIAW self-insures losses that are manageable and predictable. Reinsurance coverage is purchased to protect the members against catastrophic claims.

Members of the SIAW program enjoy the benefit of replacement cost property valuation. Property values are established on a cost per square foot basis for a certain size metro or rural area. They include soft costs such as architectural/engineering fees, permit fees, surveying, testing/inspection and legal fees. The district's insurable values for all of its property and contents remain at approximately $923 million for 2018-19.

Our 2018-19 SIAW premium will be $2,079,463.48, including a broker fee of $70,000. This is a pool premium increase of 12 percent.

Our insurance broker, Biggs Insurance Services, and district staff have reviewed SIAW's renewal package and rates. They recommend the district's insurance needs be placed with SIAW for the 17th year.

Other district insurance policies expiring throughout the 2018-19 school year include pollution liability coverage for underground fuel tanks, volunteer worker's accident coverage, excess worker's compensation insurance, and $10 million in excess earthquake insurance. The annual premiums for these policies total about $77,000. They will continue to be placed with other insurance companies, as the SIAW does not provide these types of coverage.

An additional increase for 2018-2019 is Administrator's Group Policy for Accidental Death and Dismemberment (AD &D). The new administrator's contract is increasing the benefit for Life and AD&D from $200,000 to $300,000 and $400,000 to $600,000, respectively.

In addition, the district's ongoing capital improvement projects will require Course of Construction coverage. The coverage protects the district from a loss during construction. Course of construction insurance will be placed as projects begin construction. The estimated premium amount for projects that will be under construction in 2018-2019 is $1,500,000.00.

The Superintendent's Administrative Contract Committee has reviewed this recommendation.

Funding Source: General fund except Course of Construction coverage funded by Capital Projects.

Recommendation: That the board of directors authorize the district to continue as a member of Schools Insurance Association of Washington (SIAW) for the period September 1, 2018 through August 31, 2019; and authorize Biggs Insurance Services to place insurance coverage with SIAW for a total annual cost of $2,079,463.48; and to replace the other policies in the total annual amount of $77,000 as they expire.

20. Recommendation to Approve Purchasing Agreement No. 2018-040 – T-Mobile Service for Buses 167

Rationale: To meet the data communication needs of the Vancouver School District (District) Transportation fleet in a more cost effective manner, the District will transfer cellular service from Verizon to T-Mobile for school bus vehicles. This change of service provider is projected to save the district approximately 20% in monthly service charges ($16,500 per year). The District will utilize a cooperative bid offered by the Washington State WSCA/NASPO state contract which was competitively bid and is available to all school districts within Washington State.

Product Choice: T-Mobile was selected for its proven track record in providing cellular service for other administrative programs in the school district, and for their reputation in the industry as a reliable and cost-effective provider of mobile communications.

Technical Evaluation: A pilot test of the T-Mobile service was completed for two buses in the fleet. This test showed that coverage over the rout of the pilot buses was equivalent and that performance was actually improved over the previous Verizon service.

Vendor/Itemized Recommendation: Utilizing the WSCA/NASPO state contract, it is recommended a purchase agreement be awarded to T-Mobile for an annual charge of $64,770 plus Washington state sales tax

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: T-Mobile service will utilize funds contained in the General fund.

Recommendation: That the Board of Directors award a purchase agreement to meet District Transportation data transmission needs to T-Mobile in the amount of $64,770/year ($5,397.50/month) plus Washington state sales tax per terms and conditions of the WSCA/NASPO contract.

21. Recommendation to Approve Contract Extension No. 2014-001-5 – Custodial Work Management System and Custodial Products 168

Rationale: On June 24, 2014 the Board of Directors approved the award of Bid No. 2014-001 for the purchase of custodial supplies and access to a custodial work management software program. Under this contract the Vancouver School District (District) is granted access to the vendor's custodial work management software program for the purpose of improving custodial efficiency and labor cost reduction. The Hillyard Cleaning Cost Analysis Program (CCAP) allows District maintenance staff to generate reports on budgets, expenditures, labor management, and supplies consumed. The program also performs cost analyses for specific tasks and measures the level of facility cleanliness. The awarded vendor will also be required to provide all known and unknown custodial supplies and equipment required to fully utilize the custodial work management program. All products and equipment purchased under this contract will be ordered on-line, delivered directly to each ordering location, and paid for with District procurement cards. This recommendation constitutes the fifth and final year of a five-year contract for the purchase of custodial supplies and access to the vendor's custodial work management software program for the 2018-2019 school year.

Bid Tabulation: A vendor bid tabulation listing specific unit prices, software capabilities, performance of services, company profiles, terms offered, and award-related comments is on file in the purchasing department.

Bid/Interlocal Agreement: Vancouver School District has taken the lead to cooperatively bid the Hillyard Cleaning Cost Analysis Program (CCAP) and related cleaning supplies on behalf of other school districts and public agencies in Washington and Oregon in an attempt to generate a large dollar volume of purchases at the lowest unit costs available. This contract extension shall include the requirements of the Vancouver School District only. School districts and public agencies that choose to utilize this contract will be required to execute an Intergovernmental Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of the awarded vendor during the third year of the contract in terms of access and upgrades to the Hillyard Cleaning Cost Analysis Program (CCAP) software, punctuality of supply deliveries, and vendor/employee relations. Walter E. Nelson Company has met all District requirements.

Vendor Recommendation: Based upon the committee's review of the performance of Walter E. Nelson Co., and a review of the custodial marketplace, staff recommends the option to extend the Hillyard Cleaning Cost Analysis Program (CCAP) and custodial supply contract for a fifth year pursuant to the terms and conditions awarded under Bid No. 2014-001. This recommendation shall include the purchase of custodial supplies for the 2018-2019 school year in the estimated amount of $430,000.00 plus Washington state sales tax.

Financial Evaluation: Walter E. Nelson Company and Hillyard offer the Hillyard Cleaning Cost Analysis Program (CCAP) to the District at no cost; however, the District has no ownership to the software and will be provided a user license for the duration of this contract. The District will also receive, on average, a 30% off discount for the purchase of all known general custodial cleaning supplies from Hillyard's list price and an average of 25% discount off the manufacturer's list price for various custodial supply products and equipment. Under the terms of the contract, the vendor is allowed to increase unit prices for custodial products on the anniversary date of the contract; however, the percentage discount awarded under the initial contract must remain firm. Based upon the pricing provided for the fourth year of the contract, there will be an approximate 2.0% increase for custodial products and equipment due to manufacturer price increases in the past year.

Reviewed by the Superintendent's Administrative Contracts Committee: YES

Funding Source: General Fund.

Recommendation: That the Board of Directors approve the option to extend the current Hillyard Cleaning Cost Analysis Program (CCAP) and custodial supplies contract for a one-year period which shall constitute the fifth and final year of the five-year contract, pursuant to the terms and conditions awarded under Bid No. 2014-001 for the purchase of custodial supplies and equipment from Walter E. Nelson Co., in the estimated amount of $430,000.00 plus Washington state sales tax and authorize staff to adjust quantities to meet the actual requirements for the 2018-2019 school year.

22. Recommendation to Approve Award of Contract Ext No. 2017-006-2 – Food and Supply Products for School Cafeterias 169

Rationale: This recommendation shall cover the second year of RFP #2017-006 for the purchase of food and food preparation products to McDonald Wholesale for Vancouver School District (District) food services programs. RFP #2017-006 for food and supply products for school cafeterias was advertised in April of 2017. One (1) proposal was received. This RFP covered ten (10) categories of food related products and services including: bulk cheese, frozen and refrigerated foods, frozen and refrigerated meat, canned and dry foods, and food preparation and serving supplies. The RFP included one category of unspecified school cafeteria food and supply products in which the District has the flexibility to purchase outside of the core food and supply products to meet any specialized requirements. The RFP also included a category for U.S.D.A. commodities purchased by the District which require the awarded vendor to inventory and distribute these commodities as needed. One category allows the District schools to purchase snacks for kindergarten classes. This RFP will allow the District the flexibility to increase or decrease purchases within each product category to meet the actual requirements of the school cafeteria program.

RFP Tabulation: A tabulation of products and costs is on file in the purchasing department.

Contract Period: The RFP specified a one (1) year contract with the option to extend the contract for two (2) additional one-year periods for food and supply products. The RFP also offered the option of extending contract pricing for a fourth and fifth additional one-year contracts, which the vendor offered. Staff will evaluate the awarded vendor's performance at the end of each school year and will recommend a contract extension or re-bid for each additional one-year period of this contract. In all cases, the Board of Directors shall execute a separate contract for each optional year.

Cooperative RFP/Interlocal Agreement: The District's purchasing department has taken the lead to cooperatively bid the cafeteria food and supply products covered under this RFP on behalf of other school districts and public agencies in an attempt to generate a large dollar volume of purchases at the lowest unit costs available. This award recommendation shall include the requirements of the Vancouver School District only. School districts who choose to utilize this contract will be required to execute an Intergovernmental Cooperative Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Financial Evaluation: A financial evaluation was completed based upon product and District use. Even though there was only one RFP submitted, the costs are in line with previous years, leading to the confidence of a strong RFP and partnership with McDonald Wholesale Company.

Vendor/Itemized Recommendation: Based upon the performance of McDonald Wholesale Company for the 2017-2018 school year, staff recommends the option to extend the food and food preparation products contract to McDonald Wholesale Company for a second one-year period pursuant to the terms and conditions awarded under RFP #2017-006 to include the purchase of food and food preparation products through the 2018-2019 school year for an estimated amount of $1,400,000 to meet the requirements of the District's Nutrition Services program and approximately $20,000 for kindergarten snacks plus applicable Washington state sales tax for non-food items. Terms of this award ensure the District will pay the vendor's actual landed cost for all core food and supply products listed under this RFP plus a fixed fee of 12.375% for all food products purchased and for all supply products. McDonald Wholesale Company is also recommended for inventory and distribution of U.S.D.A. commodity at $3.95 per case. McDonald Wholesale Company met all District food specifications, inventory requirements, and weekly cafeteria delivery schedule.

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: Nutrition Services funds will be utilized to purchase food and non-food products for this RFP. Revenues from federal reimbursement and cash sales allow the Nutrition Services program to be self-sufficient. Kindergarten snacks will utilize funds contained in the General Fund.

Recommendation: That the Board of Directors approve an award for the purchase of food and supply products for school cafeterias along with U.S.D.A. commodity processing services to McDonald Wholesale Company in the estimated amount of $1,400,000.00 and $20,000.00 for kindergarten snacks plus Washington state sales tax for all non-food products, at the fixed landed cost per case, fixed fee percentage, and terms offered for a one-year contract period and further authorize staff to adjust purchases to meet the actual requirements of the school Nutrition Services program throughout the 2018-2019 school year.

23. Recommendation to Approve Contract Extension No. 2014-009-5- Milk and Dairy Products for School Cafeterias 170

Rationale: On July 15, 2014, the Vancouver School District (District) Board of Directors approved the award of Bid No. 2014-009 to Dairy Fresh Farms, Inc. for the purchase of milk and dairy products to be utilized in the District school cafeterias during the 2014-2015 school year with the option to extend the contract for four additional one-year periods at the terms and conditions awarded under the 2014 bid with the mutual consent of both parties. This recommendation constitutes the fifth and final year of the milk and dairy products contract for purchases during the 2018-2019 school year.

The District purchases milk and dairy products from two classifications: class I dairy products include non-fat milk, 1% milk, chocolate milk, and cottage cheese and class II dairy products include yogurt and sour cream. Milk and dairy products will be delivered directly to each school cafeteria by the awarded vendor on a daily/weekly route schedule.

Bid Tabulation: A vendor bid tabulation listing specific unit prices, delivery dates, terms offered, and award-related comments are on file in the purchasing department.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of Dairy Fresh Farms, Inc. during the fourth year of this contract in terms of service to schools, punctuality of weekly school deliveries, and quality of products. Dairy Fresh Farms, Inc. met all District requirements and received satisfactory marks from the evaluation committee.

Vendor Itemized Recommendation: Based upon the committee's review of the performance of Dairy Fresh Farms, Inc. and a review of the milk and dairy products marketplace, staff recommends the option to extend the milk and dairy products contract for a fifth and final one-year period pursuant to the terms and conditions awarded under Bid No. 2014-009. This recommendation shall include the purchase of milk and dairy products during the 2018-2019 school year in the estimated amount of $400,000.00. The quantity of each bid item has been estimated based upon past consumption and a requirements forecast. This bid will allow the District the flexibility to increase or decrease purchases of milk and dairy products in conformity with the actual requirements of the cafeteria program.

Financial Evaluation: Terms of Bid No. 2014-009 allow for fluctuations in the wholesale cost of milk as reported in the monthly U.S.D.A. Federal Milk Order (FMO). Overhead costs of the awarded vendor are subject to price increases passed on by the dairy wholesaler (Darigold) for all option years; however, Dairy Fresh Farms has not requested an escalation in overhead cost for the fifth year of this contract.

Cooperative Bid/Interlocal Agreement: The Vancouver School District’s purchasing department has taken the lead to cooperatively bid the milk and dairy products covered under this bid on behalf of other school districts in Clark County and the Portland metropolitan area in an attempt to generate a large dollar volume of purchases and the lowest unit costs available to school districts. This award extension shall include the requirements of the Vancouver School District only. School districts who choose to
utilize this contract will be required to execute an Intergovernmental Cooperative Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: Nutrition Services funds will be utilized to purchase the food products covered under this bid. Revenues from federal reimbursement and cash sales allow the Nutrition Services program to be self-sufficient.

Recommendation: That the Board of Directors approve the option to extend the current milk and dairy products contract to Dairy Fresh Farms, Inc., for a one-year period, which shall constitute the fifth and final year of the contract, pursuant to the terms and conditions awarded under Bid No. 2014-009, for the purchase of milk and dairy products from in the estimated amount of $400,000.00 and authorize staff to adjust quantities to meet the actual requirements of the cafeteria program for the 2018-2019 school year.

24. Recommendation to Approve Contract Extension No. 2014-010-5-Produce for School Cafeterias 171

Rationale: On June 24, 2014 the Vancouver School District (District) Board of Directors approved the award of Bid No. 2014-010 to Duck Delivery Produce, Inc. for the purchase of fresh produce to be utilized in District school cafeterias during the 2014-2015 school year with the option to extend the contract for four additional one-year periods at the terms and conditions awarded under the 2014 bid with the mutual consent of both parties. This recommendation constitutes the fifth and final year of the produce contract to cover purchases during the 2018-2019 school year.

The District purchases produce in two general classifications; non-processed and processed produce items. The non-processed produce purchased each school year includes apples, oranges, bananas, tomatoes, potatoes, etc., and the processed produce includes carrots, chopped iceberg lettuce, celery sticks, several different salad mixes, etc. Produce products are to be delivered by the awarded vendor to each school cafeteria on a weekly route schedule. This bid will allow the District the flexibility to increase or decrease purchases of produce in conformity with actual requirements of the cafeteria program.

Bid Tabulation: A vendor bid tabulation listing specific fixed cost prices, fixed percentage markup prices, delivery dates, terms offered, and award-related comments is on file in the purchasing department.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of Duck Delivery Produce, Inc. during the fourth year of the contract in terms of quality of produce, service to school cafeterias, punctuality of weekly school deliveries, and compliance with terms of pricing. Duck Delivery Produce, Inc. met all District requirements and received satisfactory marks from the evaluation committee.

Vendor/Itemized Recommendation: Based upon the committee's review of the performance of Duck Delivery Produce, Inc. and a review of the produce marketplace in terms of pricing offered by the recommended vendor, staff recommends the option to extend the produce contract for a fifth and final year pursuant to the terms and conditions awarded under Bid No. 2014-010. This recommendation shall include the purchase of produce through the 2018-2019 school year in the estimated amount of $465,000.00.

Financial Evaluation: Estimated produce purchased by the District for the 2018-2019 school year is $465,000.00 based upon past consumption and a requirements forecast. The District also participates in the Dept. of Defense School Fresh Produce Program which provides fresh produce to the District at no charge; the estimated value of this program is $200,000.00.

The awarded vendor must be certified by the U.S. Dept. of Agriculture and the Dept. of Defense as an authorized local distributor for the Dept. of Defense School Fresh Produce Program. Duck Delivery Produce, Inc. meets this requirement.

Cooperative Bid/Interlocal Agreement: The Vancouver School District's purchasing department has taken the lead to cooperatively bid the produce products covered under this bid on behalf of other school districts in the state of Washington, in an attempt to generate a large dollar volume of purchases and the lowest unit costs available to school districts. This award extension shall include the requirements of the Vancouver School District only. School districts who choose to utilize this contract will be required to execute an Intergovernmental Cooperative Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: Nutrition Services funds will be utilized to purchase the food products covered under this bid. Revenues from federal reimbursement and cash sales allow the Nutrition Services program to be self-sufficient.

Recommendation: That the Board of Directors approve the option to extend the current produce contract to Duck Delivery Produce, Inc. for a one-year period, which shall constitute the fifth and final year of this contract, pursuant to the terms and discounts awarded under Bid No. 2014-010 for the purchase of produce in the estimated amount of $465,000.00 and authorize staff to adjust quantities to meet the actual requirements of the cafeteria program during the 2018-2019.

25. Recommendation to Approve Contract Extension No. 2014-011-5 - Bakery Products for School Cafeterias 172

Rationale: On July 15, 2014 the Vancouver School District (District) Board of Directors approved the award of Bid No. 2014-011 to Goody Man Distributing, for the purchase of bakery products to be utilized in District school cafeterias during the 2014-2015 school year with the option to extend the contract for four (4) additional one-year periods at the terms and conditions awarded under the 2014 bid with the mutual consent of both parties. This recommendation constitutes the fifth and final year of the bakery products contract to cover purchases during the 2018-2019 school year.

Bakery products covered under this bid include: bread, hamburger buns, coney rolls, hoagie rolls, assorted muffins, bagels, and bread sticks. The Nutrition Services department continues to specify healthy bakery products which include both hamburger buns and coney rolls made from 100% whole wheat flour, English muffins made from 51% whole wheat flour, and bread products such as the multi-grain loaf and the honey bran whole wheat loaf which contain whole wheat flour. The bakery products will be delivered directly to each school cafeteria by the awarded vendor on a weekly route schedule. This bid will allow the District the flexibility to increase or decrease purchases of bakery products to meet actual requirements of the school cafeteria program.

Bid Tabulation: A vendor bid tabulation listing specific unit prices, delivery dates, terms offered, and award-related comments are on file in the purchasing department.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of Goody Man Distributing during the fourth year of this contract in terms of service to schools, punctuality of weekly school deliveries, quality of products, and compliance with terms of pricing. Goody Man Distributing met all District requirements and received satisfactory marks from the evaluation committee.

Vendor Itemized Recommendation: Based upon the committee's review of the performance of Goody Man and a review of the bakery products marketplace, staff recommends the option to extend the bakery products contract for a fifth and final one-year period pursuant to the terms and conditions awarded under Bid No. 2014-011. This recommendation shall include the purchase of bakery products through the 2018-2019 school year in the estimated amount of $150,000.00.

Financial Evaluation: Terms of Bid No. 2014-011 allow for fluctuations in unit prices based upon changes to the local Consumer Price Index (CPI). Bakery products will not increase for the fifth year of this contract.

Cooperative Bid/Interlocal Agreement: The Vancouver School District’s purchasing department has taken the lead to cooperatively bid the bread and bakery products covered under this bid on behalf of other school districts in the Southwest Washington area in an attempt to generate a large dollar volume of purchases and the lowest unit costs available to school districts. This award recommendation shall include the requirements of the Vancouver School District only. School districts who choose to utilize this contract will be required to execute an Intergovernmental Cooperative Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Reviewed by the Superintendent's Administrative Committee: YES

Funding Source: Nutrition Services funds will be utilized to purchase the food products covered under this bid. Revenues from federal reimbursement and cash sales allow the Nutrition Services program to be self-sufficient.

Recommendation: That the Board of Directors approve the option to extend the bakery products contract to Goody Man Distributing for a one-year period, which shall constitute the fifth and final year of the contract, pursuant to the terms and conditions awarded under Bid No. 2014-011, for the purchase of bakery products in the estimated amount of $150,000.00 and authorize District staff to adjust quantities to meet actual requirements of the cafeteria program for the 2018-2019 school year.

26. Recommendation to Approve Annual Awards for Paper Quotes – Multipurpose Paper 173

Rationale: The Vancouver School District (District) warehouse has limited space for supplies and product. Built into that space is the allowance for 2,520 cases of multipurpose paper. As a result, the District requests quotes from various vendors, as the inventory gets low. The multipurpose paper is used in copiers, printers and digital duplicator machines in all District facilities.

RFP Tabulation: Each time a quote is called for, a tabulation listing bids and responses offered by each bidder and award-related comments will be on file in the purchasing department.

Contract Period: Each bid will specify a one (1) time purchase of 2,520 cases (three truckloads) of multipurpose paper. As these resources are used up by the District, a new bid will be called for and awarded based on pricing and the quality of the product.

Technical Evaluation: Past usage indicates this bid will be called for three to four times each year. The volatile cost of paper products restricts the District's ability to lock in firm pricing for an extended period of time.

Recommendation: Based upon the committee's review and evaluation, a purchase order will be awarded to the most responsive and responsible bidder. It is estimated that each bid will be approximately $60,000.00 plus Washington state sales tax each time a quote is called for. Depending on the District's needs, the annual cost for multipurpose paper could be $240,000.00 plus Washington state sales tax.

Reviewed by the Superintendent's Administrative Contracts Committee: Yes.

Funding Source: General Fund

Recommendation: That the Board of Directors approve an award for the purchase of multipurpose paper in the amount of $240,000.00, plus Washington state sales and authorize staff to adjust quantities to meet the actual requirements for the 2018-2019 school year.

27. Recommendation to Approve Intergovernmental Agreement 2016-027-3 with Educational Service District No. 112 for Printing Services 174

Rationale: This agreement will provide the Vancouver School District (District) with a reliable single source for general printing services. ESD #112 will provide an online ordering and pricing per a commercial printing services software which will allow print jobs to be electronically submitted, quoted, proofed, and the finished product delivered to the destination via ESD #112 courier or warehouse mail service, in most cases the next day. The software will provide consistent pricing for all types of printing services such as wide-format printing, booklet maker, tabbing, business cards, bindery services, multi-copy business forms, color copy and black ink copy. ESD #112 will also provide design, layout, and technical assistance; specialty reproductions, and quick print services. The District's purchasing office will work directly with the ESD #112 print shop to administer printing services for the District to include coordination of printing services, issuance of purchase orders, and receipt of services. Either party may terminate this agreement with 60-day notice. The agreement has been approved by District's legal counsel.

Reviewed by the Superintendent's Administrative Contracts Committee: Yes

Financial: A pricing schedule for the 2018-2019 school year has been established. The ESD will provide a detailed report of printing services every six months. Formal evaluations of services and financial reporting will be conducted throughout the school year by the District's purchasing office to ensure pricing remains competitive and the District is satisfied with all printing services. Printing services provided by ESD are estimated at $300,000 annually.

Funding: Services provided under this agreement will utilize General and ASB funds.

Recommendation: That the Board of Directors approve the Interlocal agreement for printing services with ESD 112 for the 2018-2019 school year and further authorize the District to renew this agreement at the start of each school year with the mutual consent of both parties.

28. Recommendation to Approve Contract Extension No. 2014-004-5 – Athletic Uniforms and Equipment 175

Rationale: On June 24, 2014, the Board of Directors approved the award of Bid No. 2014-004 for the purchase of an unspecified quantity of athletic uniforms and equipment to be utilized by the Vancouver School District's (District) middle schools and high schools for athletic programs; including football, baseball, softball, basketball, soccer, wrestling, volleyball, track, physical education, and cheerleading. The intent of this bid is to establish convenience contracts with various athletic manufacturers and local distributors for the purchase of all athletic uniform and equipment products. These convenience contracts allow District schools to purchase any quantity of products with no minimum or maximum dollar limitations at the deepest discounts available. This recommendation constitutes the fifth and final year of a five-year contract for the purchase of athletic uniforms and equipment for the 2018-2019 school year.

Bid Tabulation: A vendor bid tabulation listing specific athletic uniform and equipment manufacturers, discounts and terms offered by each distributor, and award-related comments is on file in the purchasing department.

Cooperative Bid/Interlocal Agreements: The Vancouver School District has taken the lead to cooperatively bid athletic uniforms and equipment on behalf of other school districts in Washington and Oregon. This contract extension shall include the requirements of the Vancouver School District only. All school districts that choose to utilize this contract will be required to execute an Intergovernmental Cooperative Purchasing Agreement with the Vancouver School District to satisfy legal requirements.

Vendor Performance Evaluation: The evaluation committee has reviewed the performance of each of the awarded vendors during the fourth year of the contract in terms of consulting with school and coaching staff, providing ordering and pricing information, furnishing catalogs, and delivery of orders. All awarded vendors met District requirements and received high marks from the evaluation committee.

Vendor Recommendation: Under the terms and conditions of the bid, the District and awarded vendors are allowed to add and/or delete manufacturer products lines to the approved manufacturer product list. For the 2018-2019 school year, no additional product lines were added and none were deleted. Upon the committee's review, staff recommends contract extensions be awarded to each of the five (5) recommended distributors for the purchase of athletic uniforms and equipment at the unit prices and terms of bid.

Financial Evaluation: In accordance with the terms and conditions of Bid No. 2014-004, vendors must hold the percentage of discount or markup to the manufacturer's list price firm for the entire term of the five-year contract; however, vendors are allowed to introduce current manufacturer's price lists as they are published.

Reviewed by the Superintendent's Administrative Contracts Committee: YES

Funding Source: General Fund and the Associated Student Body (ASB) fund.

Recommendation: That the Board of Directors approve the option to extend the current athletic uniform and equipment contract for a one-year period which shall constitute the fifth and final year of a five-year contract, pursuant to the terms and conditions awarded under Bid No. 2014-004, for the purchase of all unknown athletic uniform and equipment requirements at an estimated dollar amount of $120,000 to meet District needs throughout the 2018-2019 school year.

29. Recommendation to Approve Purchase Agreement No. 2018-046 – BSN Sports 176

Rationale: To meet the needs of the Vancouver School District (District) Athletic department, the District needs to purchase of an unspecified quantity of athletic uniforms and equipment to be utilized by the District's middle schools and high schools for athletic programs; including football, baseball, softball, basketball, soccer, wrestling, volleyball, track, physical education, and cheerleading. The intent of this purchase agreement is to maintain the contract for the purchase of athletic uniforms and equipment. This contract allows District schools to purchase any quantity of products with no minimum or maximum dollar limitations at the deepest discounts available. This recommendation is for the purchase of athletic uniforms and equipment for the 2018-2019 school year The District will utilize a cooperative bid offered by the National IPA, which was competitively bid and is available to all school districts within Washington State.

Bid Tabulation: A vendor bid tabulation listing specific athletic uniform and equipment manufacturers, discounts and terms offered, and award-related comments is on file in the purchasing department.

Vendor Performance Evaluation: BSN Sports has been a partner with the District for several years. The evaluation committee has reviewed the performance of BSN Sports in terms of consulting with school and coaching staff, providing ordering and pricing information, furnishing catalogs, and delivery of orders. BSN Sports has met District requirements and received high marks from the evaluation committee.

Vendor Recommendation: Upon the committee's review, staff recommends the purchase agreement be awarded to each of BSN Sports representing nine (9) manufacturer product lines for the purchase of an athletic uniforms and equipment at the unit prices and terms of contract.

Financial Evaluation: The National IPA contract with BSN Sports has the most aggressive pricing for the largest variety of athletic uniforms and equipment. As a vendor that the District can purchase any sort of athletic equipment from utilizing the National IPA contract, the added value of a strong relationship and national contract ensures competitive pricing and guaranteed deliveries.

Reviewed by the Superintendent's Administrative Contracts Committee: YES

Funding Source: General Fund and the Associated Student Body (ASB) fund.

Recommendation: That the Board of Directors approve Purchasing Agreement No. 2018-046 with BSN Sports to meet District needs for athletic equipment and supplies in the amount of $140,000 plus Washington state sales tax per the terms and conditions of the National IPA contract throughout the 2018-2019 school year.

OTHER BUSINESS

37. Recommendation to Award Bid No. 2018-042 for the Construction of iTech Preparatory School 184

Rationale: On August 9, 2018, three (3) bids were received and opened for the construction of iTech Preparatory School. Robinson Construction Co., Hillsboro, OR submitted the lowest qualified bid. A copy of the bid results is attached.

The project includes the construction of a new school, grades 6-12, on the Washington State University Vancouver campus. The bid includes a base bid and three (3) alternates. The alternates may be accepted to adjust the base bid to align within available budget resources. It is recommended that the base bid and one additive alternate be accepted. The alternate includes an expanded outdoor paved activity area.

Reviewed by the Superintendent's Administrative Contract Committee: Yes

Funding Source: Capital Projects Fund.

Recommendation: That the Board of Directors Award bid No. 2018-042 to Robinson Construction Co., Hillsboro OR, for the construction of iTech Preparatory in the base bid amount of $31,497,000.00 plus alternate No. A3 in the additive amount of ($111,800.00), for a total bid award of $31,608,800.00, plus Washington State sales tax, and authorize the president and secretary to execute the appropriate contract documents.

Following discussion between members of the Board, administration, and Dr. Webb, it was moved by Director Giovannozzi, seconded by Director Rice. President Fryer, Director Rice, Director Giovannozzi, Director Stoker and Director Smith voted yea to approve the award of bid no. 2018-042 for the construction of iTech Preparatory School.
