District staff and members of the Superintendent's Administrative Committee have reviewed this recommendation.

Recommendation: That the Board of Directors approve the Out-Of-State Travel Request to Phoenix, AZ.

3. Recommendation to Approve Instructional Materials for use in the 2019-2020 School Year 3

Rationale: Requested subject-area instructional materials were approved by district staff on September 5, 2019 and reviewed by members of the Superintendent's Administrative Committee on September 12, 2019 as specified in VPS Procedure 2020. The total cost of the materials are $2,979.61 including all applicable sales tax.

Funding Source: Basic Ed

Recommendation: That the Board of Directors approves the instructional materials for use in the 2019-2020 school year.

4. Recommendation to Renew the Client Services Agreement, between the Vancouver Public Schools and Soliant Health, Inc. 4

Description: Soilant Health, Inc. is a licensed staffing agency in the business of providing staffing to the public and private education sector and is not a healthcare provider.

Contracting for services with outside agencies is provided for by RCW 28A.320.035.

Vancouver Public Schools will pay Soliant Health, Inc., an hourly rate of $93 per hour for services provided by licensed School Psychologist(s).

Rationale: That the needs of identified students can be met through the School Psychologist services provided by Soliant Health, Inc., until such time as the positions can be permanently filled.

Reviewed by Superintendent Administrative Committee: YES

Evaluation: VPS will closely monitor students' progress toward IEP goals.

Funding Source: General Fund

Recommendation: That the Board of Directors Renew the Client Services Agreement Between the Vancouver Public Schools and Soliant Health, Inc., in the estimated amount of $110,000, for School Psychologist(s) for the 2019-20 school year, and authorize staff to purchase additional services as needed for students, and authorize the president and secretary to execute the appropriate documents.

7. Recommendation for Adoption of Resolution No. 838 to Renew Memorandum of Agreement between Vancouver School District No. 37 and Washington State University Vancouver 7

This agreement allows iTech Preparatory freshmen, sophomore, junior, and senior students to receive instruction in college level courses at Washington State University Vancouver (WSUV) on the Washington State University Vancouver Campus for the 2019-2020 school year.

Rationale: WSUV will provide freshmen, sophomore, junior, and senior Vancouver Public School students enrolled at iTech Preparatory School the opportunity to receive instruction in college level courses in the 2019-2020 school year. This opportunity to receive college credit is only available to freshmen, sophomore, junior and senior students enrolled at iTech Preparatory School. These courses will be taught by WSUV faculty. WSUV will be fully responsible for the compensation of any WSUV faculty whose classes include iTech Preparatory students.

Prior to enrolling in a college-level course, the iTech Preparatory student must demonstrate readiness to succeed in those courses. Representatives of iTech Preparatory and WSUV will confer and agree on measures of readiness and performance to be reviewed prior to a student's enrollment in a college-level course.

Funding: Vancouver School District will pay WSUV for instructional services in the amount of Two Hundred and Sixty Three and 60/100 ($263.60) Dollars per credit hour for each college level course attended by an iTech freshman, sophomore, junior or senior student during the 2019-2020 school year. The total cost estimate is estimated to be $30,000 based upon student participation. The cost structures are modeled from the State Running Start reimbursement rates. Running Start rates are set by OSPI each year, not by individual colleges/universities.

Per credit, year over year: Academic $252.19 (2018-2019); $263.60 (2019-2020)

Fund Source: General Fund

The Memorandum of Agreement was reviewed at the Superintendent's Administrative Teaching and Learning Committee on September 12, 2019.

Recommendation: That the Board of Directors renew the Memorandum of Agreement between Vancouver School District No. 37 and Washington State University Vancouver for the 2019-2020 school year.

8. Recommendation for Adoption of Resolution No. 839 to Renew Memorandum of Agreement between Vancouver School District No. 37 and Clark College 8

This agreement allows iTech Preparatory freshmen and sophomore students to receive instruction in college level courses at Clark College for the 2019-2020 school year.

Rationale: Clark College will provide freshmen and sophomore Vancouver Public School students enrolled at iTech Preparatory School the opportunity to receive instruction in college level courses in the 2019-2020 school year. This opportunity to receive college credit is only available to freshmen and sophomore students enrolled at iTech Preparatory School. These courses will be taught by Clark College faculty. Clark College will be fully responsible for the compensation of any Clark College faculty whose classes include iTech Preparatory students.

Prior to enrolling in a college-level course, the iTech Preparatory student must demonstrate readiness to succeed in those courses. Representatives of iTech Preparatory and Clark College will confer and agree on measures of readiness and performance to be reviewed prior to a student's enrollment in a college-level course.

Funding: Vancouver School District will pay Clark College for instructional services in the amount of One Hundred Seventy Five and 73/100 ($175.73) Dollars per credit hour for each college level course attended by an iTech freshman or sophomore student during the 2019-2020 school year. The Vancouver School District will pay Clark One Hundred Ninety Five and 72/100 ($195.72) Dollars for each vocational course attended by an iTech freshman or sophomore student during the 2019-2020 school year. The total cost is estimated to be $50,000 based upon student participation. The cost structures are modeled from the State Running Start reimbursement rates. Running Start rates are set by OSPI each year, not by individual colleges/universities.

Per credit, year over year: Academic $168.13 (2018-19); $175.73 (2019-20)
Vocational $187.23 (2018-19); $195.72 (2019-20)

14. Recommendation to Award Bid No. 2019-046 for Franklin Elementary School Addition 14

Rationale: On September 17, 2019, five (5) bids were received and opened for the classroom addition and parking lot expansion at Franklin Elementary School. Tapani, Inc. Battle Ground, Washington, submitted the lowest qualified bid. A copy of the bid tabulation is attached. The project is part of the 2017 bond program.

The project includes the addition of five (5) new classrooms and the expansion of the parking lot including an extended drop off/pick up area. At the completion of the project, three (3) existing double classroom portable units will be removed from the site. The bid consisted of the base bid and one (1) deductive alternate. The alternate substitutes the boiler with a different brand of equal quality.

District staff and consultants have reviewed the bids and are recommending accepting the lowest qualified base bid and the deductive alternate.

15. Recommendation to Adopt Resolution No. 843 to Award Bid No. 2019-0047 for the Walnut Grove Elementary School (N/L) Replacement Project 15

Rationale: On September 19, 2019, two (2) bids were received and opened for the Walnut Grove Elementary replacement school project. Woodburn Construction Co. Woodburn, Oregon submitted the lowest bid.

However, their bid contained a significant math error resulting in the low bid amount. As a result of the error, they are requesting their bid be withdrawn. The next low bidder is Triplett Wellman, Inc., Woodburn, Oregon.

A copy of the bid tabulation is attached. The project is part of the 2017 bond program.

The project includes the replacement of the existing school. The current school will be razed following the construction of the new facility. In addition to the base bid, one unit price and seven (7) alternate bids were included. The alternate bids consisted of four (4) additive and three (3) deductive alternates.

In compliance with WAC 392-344-110, it is recommended that a contract be awarded as follows:

Base Bid – Replacement (N/L) School $ 32,696,000.00
Alternate Bid No.1 – Addition of two classrooms, main floor $ 635,000.00

17. Recommendation to Conduct a First Reading to Adopt Revised Policy 3120, Enrollment, in the 3000 Series, Students 17

Rationale: Attached is revised Policy 3120, Enrollment, which is presented to the Board for a first reading. The revised policy will be presented for a second reading and adoption at the November 12, 2019, regular meeting of the Board.

For the Board's convenience, additions are underlined (underlined), and deletions are indicated by words/numbers lined out (lined out). District staff, legal counsel, and members of the Superintendent's Administrative Policy Committee have reviewed the proposed revisions.

In 2019, the legislature passed House Bill 1210, School Enrollment-Non-resident Children from Military Families. The new law allows students, with a parent in the military, to pre-enroll before arriving in the state. Specifically, the legislation revised Washington's Compulsory School Attendance and Admission law to allow enrollment on a conditional basis, by electronic means, when an active-duty military parent is transferred or when a transfer into the state is pending. Within fourteen days after the arrival in the district, the parent must provide proof of residence in the district. The law also requires the district to enroll students of military families in a specific school, program, or course, as needed, to minimize any disadvantage from having an active duty parent in the military. The district's policy is revised to include conditional enrollment of students with a parent in the military.

Additionally, based on findings in a State Auditor's performance audit, titled, "Opportunities to Better Identify and Serve K-12 Students Experiencing Homelessness", clarifying language is added to Policy 3120 regarding the district's responsibility to immediately enroll homeless students.

Enrollment of homeless students differs from the general enrollment provisions for students who are not homeless. General provisions allow districts to withhold sending a student's official transcript until fines or fees are paid. The district's enrollment policy is updated to clearly distinguish the special enrollment considerations for homeless students.

Recommendation: That the Board of Directors conducts a first reading to adopt revised Policy 3120, Enrollment

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 12, 2019 Board meeting for approval.

18. Recommendation to Conduct a First Reading to Adopt Revised Policy 3207, Prohibition of Harassment, Intimidation and Bullying, in the 3000 Series, Students 18

Rationale: Attached is revised Policy 3207, Prohibition of Harassment, Intimidation and Bullying, which is presented to the Board for a first reading. The revised policy will be presented for a second reading and adoption at the November 12, 2019, regular meeting of the Board.

For the Board's convenience, additions are underlined (underlined), and deletions are indicated by words/numbers lined out (lined out). District staff, legal counsel, and members of the Superintendent's Administrative Policy Committee have reviewed the proposed revisions.

Recent legislation required the Washington State School Directors Association (WSSDA) and the Office of Superintendent of Public Instruction (OSPI) to update the state's model harassment, intimidation and bullying policy. The policy revisions clarify that harassment, intimidation and bullying are related but separate behaviors that must be addressed separately. Specifically, harassment refers to any malicious act that causes harm to any person's physical or mental well-being. Harassment can be discriminatory, malicious, or sexual.

Intimidation refers to implied or overt threats of physical violence. Bullying refers to unwanted aggressive behavior by one youth or a group of youths that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated. Bullying may inflict harm or distress on the targeted youth including physical, psychological, social, or educational harm. Bullying can also occur by use of technology, and is called electronic bullying or cyberbullying.

The revised policy updates and clarifies the definitions of harassment, intimidation and bullying, and adds the requirement that the district's primary contact person participate in at least one mandatory training opportunity offered by OSPI.

Recommendation: That the Board of Directors conducts a first reading to adopt revised Policy 3207, Prohibition of Harassment, Intimidation and Bullying

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 12, 2019 Board meeting for approval.

19. Recommendation to Conduct a First Reading to Adopt Revised Policy 3231, Student Records, in the 3000 Series, Students 19

Rationale: Attached is revised Policy 3231, Student Records, which is presented to the Board for a first reading. The revised policy will be presented for a second reading and adoption at the November 12, 2019, regular meeting of the Board.

For the Board's convenience, additions are underlined (underlined), and deletions are indicated by words/numbers lined out (lined out). District staff, legal counsel, and members of the Superintendent's Administrative Policy Committee have reviewed the proposed revisions.

A State Auditor's performance audit titled, "Opportunities to Better Identify and Serve K-12 Students Experiencing Homelessness" identified the statewide need for stronger board policy language describing each district's responsibility to immediately enroll homeless students. The federal law regarding homeless students requires that districts:

- Ensure the prompt transfer of student records between the previous and the enrolling school;
- Eliminate enrollment delays caused by schools' requirements regarding student's school records, health immunization, proof of residency, birth certificates, or other documentation; and
- Develop, review and revise laws, policies and practices that pose barriers for student enrollment and retention, including those caused by fees, fines, or absences.

Enrollment of homeless students differs from the general enrollment provisions for students who are not homeless. General enrollment provisions allow districts to withhold sending a student's official transcript until fines or fees are paid. The district's student records policy is updated to clearly distinguish the special enrollment considerations for homeless students.

Recommendation: That the Board of Directors conducts a first reading to adopt revised Policy 3231, Student Records

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 12, 2019 Board meeting for approval.

20. Recommendation to Conduct a First Reading to Adopt Revised Policy 3416, Medication at School, in the 3000 Series, Students 20

Rationale: Attached is revised Policy 3416, Medication at School, which is presented to the Board for a first reading. The revised policy will be presented for a second reading and adoption at the November 12, 2019 regular meeting of the Board.

For the Board's convenience, additions are underlined (underlined), and deletions are indicated by words/numbers lined out (lined out). District staff, legal counsel, and members of the Superintendent's Administrative Policy Committee have reviewed the proposed revisions.

During the 2019 legislative session, a new law passed allowing parents to administer marijuana-infused products, for medical purposes, to their child, while on school grounds, in a school bus or at a school-sponsored event. The new law does not require school staff, including nurses, to administer medical marijuana, nor does the legislation minimize the action a district can take to prohibit or stop the possession or use of drugs, including marijuana, on district property. The policy revision clarifies several provisions regarding medications in school and clearly states that school staff, including nurses, will not administer medical marijuana.

Recommendation: That the Board of Directors conducts a first reading to adopt revised Policy 3416, Medication at School

Following discussion between members of the Board, administration, and Dr. Webb, the reading was waived and will move forward to the November 12, 2019 Board meeting for approval.

21. Recommendation to Approve Real Estate Purchase & Sale Agreement for Property at 3000 F St. Vancouver WA 21

Rationale: The expansion of Vancouver School of Arts and Academics (VSAA) is a 2017 approved bond project. In addition to expanding the facility for additional enrollment, site improvements are desired to increase on-site parking and student drop off/pick up area.

The property is approximately 0.15 acres adjacent to the school on F and 30th. Purchase price is $444,900.00. The site will allow for expanded parking and improved traffic circulation. Final purchase of the property will be subject to satisfying an inspection contingency period including obtaining an appraisal.
